

U. S. TREASURY SECRETARY Henry Fowler, right, who announced his resignation last week, paid a farewell call today on West German Chancellor Kurt Georg Kiesinger in Bonn. Fowler also discussed finance matters with other Bonn leaders. (AP Wirephoto)

Red China In Worst Defeat For U. N. Seat

UNITED NATIONS, N. Y. — (AP) — Advocates of U. N. membership for Red China suffered their worst defeat in four years Tuesday. By a vote of 58-44 with 23 abstentions the General Assembly rejected a resolution to expel Nationalist China and seat the Chinese Communists.

A similar resolution was defeated last year by a vote of 58-45 with 17 abstentions. The pro-Peking forces came closest to victory in 1965 when the vote was a 47-47 tie.

This year's resolution was sponsored by 15 nations headed by Albania, Peking's mouthpiece in the United Nations.

Only two other Communist nations, Cuba and Romania, joined in sponsoring the draft. The Soviet Union, locked in an ideological dispute with the Chinese Reds, voted for the proposal after giving it only perfunctory support.

The assembly adhered to its previous policy of requiring a two-thirds vote.

Italy's proposal to set up a study group to sound out governments on the idea of a two-China solution—seating both the Reds and the Nationalists—was defeated for the second straight year. Both Peking and Formosa have vowed they would never agree to a two-China deal.

The United States supported the study group proposal and indicated during the debate it might throw its support behind a two-China proposal.

U.S. Ambassador J. R. Wiggins said Peking's supporters were automatically excluding the Communists from a seat by insisting that the Nationalists be expelled.

Britain and France, which have extended diplomatic recognition to Peking, voted again to kick the Nationalists out.

Fear 50 Trapped In Mine Explosion, Fire

PRESIDENT JOHNSON poses at the White House with five Army heroes after awarding them Medals of Honor for unsurpassed gallantry and heroism in Vietnam. From left: Spec. 4 Gary G. Wetzel of Oak Creek, Wis.; Spec. 5 Dwight H. Johnson of Detroit; Sgt. Sammy L. Davis of Martinsville, Ind.; the President; Capt. James A. Taylor, native of Arcata, Calif., who is now stationed with his family at Ft. Knox, Ky., and Capt. Angelo J. Liteky, a chaplain who is a native of Washington, D. C., but has moved to Florida where his mother now lives in Jacksonville. (AP Wirephoto)

21 Are Safe In West Virginia Mine Disaster

MANNINGTON, W. Va. (AP) — Thundering explosions ripped through a rich coal mine early today, trapping as many as 75 miners. But the Marion County sheriff's office and coal company officials said 21 had been located or rescued.

Smoke and fire billowed from one entrance to the mine and smoke clogged others.

Sheriff Robert Tennant said eight men had been found at the bottom of a shaft and were scooped out, two at a time, by a bucket lowered into the shaft by a crane.

The mine is the Mountaineer Coal Company's No. 9 located just west of Mannington in the coal country of north-central West Virginia, near the Pennsylvania state line. Mountaineer is the state's third largest coal producing company and is a division of Consolidation Coal Co.

13 Walk Out
Mountaineer president Dave Davis said 13 miners had come out of the mine at the slope opening near the coal preparation plant.

"The severity of the explosive forces in the Llewellyn portal area were of such great magnitude as to place in jeopardy the lives of the employees working in the immediate area," Davis said.

The company said 360 men work the mine in three shifts. The more than 70 men on the third shift were due off about 7:30 a.m. (EST). But the first explosion rumbled through the long shaft about an hour and a half earlier.

Machinery Destroyed
Wives and children of the miners rushed to the entrance, as did rescue teams from across the area.

Tennant said seven to nine men reached the surface safely just after the first blast. The force of the blast, Tennant said, blew machinery through the Llewellyn portal and destroyed it.

Rescuers concentrated on the Farmington portal, about one mile from the Llewellyn entrance.

West Virginia Gov. Hulett C. Smith said in Charleston that he sent mine experts to the scene and that he had received an offer of assistance from Washington.

Tennant said the first explosion was just before 6 a.m. (EST) but he added there were "at least" two more explosions around 8:30 a.m.

Most of the men were due off their shift at 7:30 a.m. The mine normally employs about 360 men who work in three shifts.

Large Seam
State Mines Director Elmer Workman rushed to the scene to direct rescue efforts.

The Mannington mine produced more than two million tons of coal last year. The shaft has a 98-inch coal seam which is an abnormally large seam and the mine's production indicates its richness. Daily production averages 9,434 tons.

A slope mine is a shaft burrowed into the side of a mountain at a low angle and the coal is pulled from the mine on cars riding a narrow-gauge track.

Parents Sit-In At N.Y. Schools

NEW YORK (AP) — Angry groups of parents staged overnight sit-ins at three schools in Brooklyn's controversial Ocean Hill-Brownsville district to protest part of the settlement which ended the teachers' strike.

Rhody McCoy, administrator of the predominantly Negro and Puerto Rican decentralized district, warned of a possible "confrontation" if plans proceeded to remove the three school principals from their posts.

The sit-ins followed the generally peaceful reopening of the city's 900 schools Tuesday after a citywide strike that kept most of the 1.1 million public school pupils out of class for 35 days.

There were extra police assigned to the district overnight but a police spokesman said there were no plans to remove the sit-ins.

Europe's Exchange Markets Are Closed

LONDON (AP) — The leading finance ministers of the Western world hurried to Bonn today to try to halt the second major crisis in the international monetary system this year.

Most Western money markets were shut to check speculators' attacks on major Western currencies.

With the money exchanges and the dollar — were simultaneously under attack by the speculators.

Franc Hit Hardest

Many financial experts in London considered the present emergency even more serious than the March gold crisis because three of the world's principal trading currencies—the French franc, the pound sterling and the dollar — were simultaneously under attack by the speculators.

The crisis was sparked by be-

lief that a devaluation of the franc and a revaluation upward of the West German deutschemark—the world's strongest currency—were imminent.

Speculators rushed to change francs for marks and the fever soon spread to include both the pound and the dollar. But the franc was hardest hit.

In an attempt to check the flight to the mark, the West German government announced that it would not revalue the currency but instead was making tax changes to reduce the large foreign trade surplus responsible for the expectation of revaluation.

Reduce Tax

In what London's Financial Times called a "backdoor revaluation," the Bonn government said it would reduce its tax on imports and the tax rebate it pays on exports. This should re-

duce the flow of West German exports and increase imports, resulting in a reduction of the surplus trade balance.

To strengthen confidence in the franc, the French National Assembly approved Premier Maurice Couve de Murville's proposal to reduce 1969 budget expenditures \$400 million, which he said would cut the deficit for the year to \$1.88 billion. The premier called the cut a "first leg" but gave no indication what spending programs would suffer.

'Group Of 10'

To give the governments a breathing space while the financial community evaluated these measures, the French government closed all financial markets today. West German markets were closed because the day is a national holiday, and the British government ordered the London foreign exchange market closed.

West German Economics Minister Karl Schiller called an emergency meeting in Bonn today of the "Group of 10," the finance ministers of Belgium, Britain, Canada, France, West Germany, the Netherlands, Italy, Japan, Sweden and the United States. U.S. Treasury Secretary Henry H. Fowler already was there, taking a roundabout route back to Washington from the NATO meeting in Brussels last week. But the United States so far appeared to be taking only a standby role in the crisis.

Wagon Man Dies

OKLAHOMA CITY (AP) — The man who drove the covered wagon carrying the state seal when the Oklahoma capital was secretly moved late at night from Guthrie to Oklahoma City has died.

William E. Kile died Monday night at the age of 89.

Kile was among a small band of citizens who slipped into Guthrie on the night of June 11, 1910, and took the state seal to Oklahoma City.

A few hours after Oklahomans had voted to move the state capital. The secret transfer was made to forestall legal maneuvering by Guthrie citizens.

Arrest Man In Plane Explosion

DENVER, Colo. (AP) — An explosion and fire endangered a Continental Airlines 707 jetliner as it approached Denver Tuesday carrying seven crewmen and 63 passengers, including Sen. Clifford Hansen, R-Wyo.

The fire was put out and when the plane descended from 18,000 feet and landed safely on a foam-covered runway, FBI agents arrested one passenger, Lawrence B. Havelock, 47, of Lake George, Colo.

"It was like a sonic boom," said Helga Wood, 31, a hostess. "Like the whole tail was blowing off."

"The smoke got so bad I felt like kicking out a window," said Hansen who was bound for a speaking engagement in Lander, Wyo.

Havelock was arraigned before a U.S. commissioner in Denver on charges of violating the federal aircraft destruction statute and was held in lieu of \$10,000 bail. He sobbed during the hearing, and said he was tired and "a little upset."

Mrs. Havelock said her husband had undergone follow-up surgery about three weeks ago in connection with earlier removal of a tumor from beneath his skull. Officials at the Denver Veterans Administration Hospital said Havelock was discharged Oct. 23.

The FBI said smoke started pouring into the passenger cabin and a concussion was felt just 12 minutes before the plane was to have touched down.

Pay Price For Space Cuts: HHH

CAPE KENNEDY, Fla. (AP) — Declaring America's space program a wise investment, Vice President Hubert H. Humphrey predicts the nation "will pay the price" for not investing more funds for future space research.

"The space program has contributed greatly to the structure of our nation," Humphrey told National Aeronautics and Space Administration officials meeting here Tuesday to review preparations for an around-the-moon flight by the three Apollo 8 astronauts at Christmastime.

"I have felt it has been underfunded at times and we will pay the price," the vice president said while explaining that Congress and the Johnson administration cut space spending because of other priorities.

"I feel it is a wise investment

on the part of Congress and the public," Humphrey said referring to space research. "I'll do what I can as a private citizen and a former chairman of the space council to see it is funded."

Humphrey, who as vice president is chairman of the National Aeronautics and Space Council which advises President Johnson on space policy, visited Cape Kennedy for five hours Tuesday en route to Washington from Miami, where he and his wife Muriel were vacationing.

He received a first-hand report from the three Apollo 8 pilots who plan to fly around the moon at Christmastime—Air Force Col. Frank Borman, Navy Capt. James A. Lovell Jr. and Air Force Maj. William A. Anders—then made like an astronaut himself by performing a make-believe rendezvous inside a mock spaceship.

The vice president said he may return to Cape Kennedy to view the crew blast off Dec. 21 atop their 363-foot-tall Saturn 5 moon rocket.

Canada Considers NORAD Cutbacks

OTTAWA (AP) — The Canadian government is considering whether to increase its forces assigned to the North American Defense Command, decrease them or pull out of NORAD, Prime Minister Pierre Elliott Trudeau told the House of Commons Tuesday.

Trudeau said Canada's part in the command, in which it is the junior partner to the United States, is "indirectly" included in a government review of foreign and defense policy now being made.

He said Canada might decide to increase its arms commitment.

Canada renewed the NORAD pact with the United States last spring for a five-year term expiring in 1973. The Canadian commitment includes three Voodoo interceptor squadrons and two Bomarc missile sites, both defenses against bombers.

Canada and the United States have the right to withdraw from NORAD on a year's notice. Asked whether additional U.S. troops might be stationed on Canadian soil if Ottawa reduces its commitment to NORAD, Trudeau said: "Of course it is a possibility, but I would not suggest it as a likelihood."

He refused to elaborate on

whether any definite policy decision had been made beyond saying "the government may or may not change its mind."

Canadians have a right to know, said Trudeau, "but the trouble is, if we are to tell them our policy before reviewing it, there would be little purpose in reviewing it."

Months ago Trudeau had indicated his interest in maintaining a good North American defense system. There has been talk in Ottawa that Canada might reduce its North Atlantic Treaty Organization force in Europe, which consists of a 5,000-man brigade and an air division.

Trudeau said Tuesday that the policy review which began last May involves "what kind of defense policy we need, whether in or out of NATO, in or out of NORAD and so on."

Early Flu Cases Are Mild

WASHINGTON (AP) — The surgeon general says early cases of the new Hong Kong flu have been mild, but a lot of people will still spend two or three days in bed with the disease this winter.

Dr. William H. Stewart said in an interview the new flu appears free of complications or after effects, even though "you still don't feel very good when you have it."

After two or three days "you're back on your feet, but you don't feel quite up to par. It's no more serious than ordinary influenza."

Stewart said persons in good health and under 65 years of age won't even need the vaccine developed to ward off the disease.

But the surgeon general said he expects the disease to reach epidemic proportions.

"I think it's safe to say that we will have an active year—that we will have a lot of people who have this kind of flu," Dr. Stewart said.

So far public health officials have identified flu outbreaks among Marines in San Diego and civilians in Needles, Calif., as being of the Hong Kong variety.

But flu outbreaks suspected to be of the Hong Kong variety have occurred in Colorado and New Jersey. Officials expect to know within a few days whether the new strain was involved.

The surgeon general noted that absentee rates in Needles schools ran about 20 per cent, compared to rates of up to 40

per cent in past flu outbreaks. He said it is too early to tell whether this is a hopeful sign.

The new strain, officially designated A2-Hong Kong-68 because it was first noted in Hong

Kong this year, is a variety of the A2 flu that went around last year.

Stewart said vaccine supplies should be adequate for those who need protection.

MERCK SHARP and Dohme employees using special hypodermic syringes to inoculate eggs with influenza virus. Millions of fertile eggs are required to make the chick embryos on which the deadly virus strain breeds. Tuesday the government approved the first batch of Hong Kong influenza vaccine releasing it to hospitals, doctors and pharmacies. (AP Wirephoto)

Today's Chuckle

You have to hand it to the Venus de Milo — otherwise she'd starve.

Larry Corbiel Accident Victim

Larry A. Corbiel, 25, of Box 846 Gwinn died Monday evening as a result of a car accident on County Road 426 near Arnold.

He was born Nov. 6, 1943 in Escanaba and graduated from Escanaba Area High School in 1962. He had resided in Escanaba until moving to Gwinn two years ago.

Mr. Corbiel served three years with the U. S. Army and was a member of St. Anthony's Church of Gwinn. He was employed for Cleveland Cliffs Iron Co. for the past two years.

He is survived by his widow, the former LaChelle Mills; one son, Larry, at home; his father, Lawrence Corbiel of Gwinn; two sisters, Mrs. Robert (Eileen) Stone of Escanaba and Mrs. Ivan (Janet) Majestic of Palos Hills, Ill.; one brother, Joseph Corbiel of Pontiac.

Friends may call at the Allo Funeral Home from 3 to 9:30 p. m. Thursday and parish prayers will be recited at 8 p. m. Funeral services will be conducted at St. Anthony's Church in Gwinn at 9:30 a. m. Friday with the Rev. George Pernaski officiating. Burial will be in Gardens of Rest Cemetery.

Illinois Hunter Heart Victim In Delta County

A 64-year-old hunter from Skokie, Ill., was found dead of an apparent heart attack near Perkins this morning, the fourth deer hunter to die of heart failure during the 1968 firearm deer season in the Upper Peninsula.

Dead is Harry Nieuwenkamp, brother of Wynand Nieuwenkamp of Rapid River, manager of the Alger-Delta Electric Cooperative.

State Police said the victim got stuck with his automobile turning off County Rd. 428 into a camp road in Baldwin Township sometime Tuesday night. Officers indicated he may have attempted to push the car before suffering the attack.

The body was discovered about 7:30 a.m. today by a deer hunting party. Nieuwenkamp was pronounced dead by Dr. Otto Hult of Gladstone, county medical examiner.

Hunters Safe
He was born on Sept. 30, 1903 in the Netherlands and was a construction superintendent for the George Sollitt Construction Co., Chicago. In addition to Wynand, another brother, George, of Chicago and two sisters, Mrs. Louise Wolfrum, Chicago, and Mrs. Jean Strehle, Villa Park, Ill., survive. The body was taken to the Anderson-Johns Funeral Home and will be sent to the Corcoran Funeral Home in Chicago. Funeral is tentatively set for Saturday morning.

Two other hunters who were lost in the Perkins area overnight walked out of the woods about 9:30 a.m. today.

John Haener, 65, and Robert Scott, 46, both of Ecorse spent the night in Section 13 of Baldwin Township. Both were in good condition this morning, officers reported.

Another hunter lost in Houghton County was found by searchers Tuesday afternoon. Peter Locke, 36, of DeKalb, Ill., who became lost Monday was located in good condition about 1 p.m.

Hunting conditions were reported as poor in many areas of the Upper Peninsula after new snowfalls made side roads nearly impassible. Robert Timmer, Escanaba district law supervisor, said hunters can't move in the northern part of the district unless they have four-wheel drive equipment or snowmobiles.

Snow depths in the Big Bay area north of Marquette were reported up to 28 inches.

Deer Count Down
The count of deer being taken across the Mackinac Bridge into Lower Michigan reflected the poor hunting conditions.

At 7 a. m. today, only 2,863 deer and 29 bear had been taken across the bridge by hunters, compared with 3,375 deer and 46 bear a year ago. About 40 per cent of the Lower Michigan hunters who came to the Upper Peninsula for the deer season have returned home.

To date, a total of 78 arrests have been made by Dept. of Natural Resources officers in the Escanaba district.

In Delta County, Lawrence V. Myers, 28, of Warren, and Billy J. Cooper, 44, Detroit, each paid fines of \$50 and \$7.30 in court costs in Municipal Court in Escanaba after pleading guilty to charges of making use of an artificial light to locate game.

Bruce A. Cromell, 18, and Robert B. Hanson, 19, both of Munising, also were each fined \$50 and assessed \$7.30 court costs after pleading guilty to using an artificial light to locate game.

Paul E. Phillips, 29, Rock, paid a \$10 fine and \$7.30 costs before Justice Hugo Fillizetti of Gwinn for possession of a shotgun and a ball load during the five days prior to the opening of the deer season.

SCHOOL PRINCIPALS
There are an estimated 50,000 men and women principals, both teaching and supervising, in the elementary schools of the United States. They average 45 hours a week in direct school duties and five hours more in supplementary school-related tasks.

Death Claims Mrs. Butler

Mrs. Sara Butler, 82, died at 2:50 p.m. Tuesday at the Pine Haven Nursing Home where she had resided. She had been in ill health for the past 10 years.

Mrs. Butler was born in Escanaba and lived here all of her life. She was a member of St. Patrick's Church. Her husband, William preceded her in death in 1936.

Survivors include two sons, William E. Butler of Escanaba and John Clayton Butler of San Antonio, Texas; one daughter, Mrs. Wendell (Eleanor) Brady of Battle Creek; one sister, Mrs. William (Lillian) Duffield of Marshall, Mich.; one brother, Hugh P. Madden of Milwaukee, 14 grandchildren and six great grandchildren.

Friends may call at the Allo Funeral Home from 3 to 9:30 p.m. Friday and parish prayers will be recited at 8 p.m. Funeral services will be conducted at 9 a.m. Saturday with the Rev. Charles Carmody officiating. Burial will be in Holy Cross Cemetery.

CLASSIFIED ADS COST
LITTLE BUT DO A BIG JOB

H. Johnson, 58, Taken By Death

Henning Johnson, 58, of Ford River, died suddenly early this morning at his home. He was born in 1909 in Sweden and came to Chicago in 1926. He lived in Gladstone and Escanaba and for the past 16 years had resided in Ford River.

Mr. Johnson was married to the former Helen Rosenberg in 1934 in Chicago. He was employed at the Svaland-Anderson Paint Store in Escanaba and was a member of the Painter's Union, Local 811.

He is survived by his widow; three daughters, Mrs. Gerald (Joan) Hardy of Glen Ellyn, Ill., Mrs. George (Karen) Ratcliffe and Mrs. Charles (Betty) Johnston, both of Ford River; three grandchildren, five sisters and six brothers in Sweden.

Friends may call at the Degnan-Crawford Funeral Home from 3 to 9:30 p. m., Friday. Funeral services will be conducted at 11 a. m., Saturday at the funeral home with the Rev. Robert Selberg officiating. Burial will be in the West Ford River Cemetery.

President George Washington issued the first neutrality proclamation when he declared, in 1793, a hands-off policy in the wars of the French Revolution.

MSU Speaker

EAST LANSING (AP)—The Rev. Theodore M. Hesburgh, president of the University of Notre Dame, will be the featured speaker at Michigan State University's fall term commencement exercises Dec. 7. The Rev. Mr. Hesburgh, who also will receive an honorary doctor of laws degree during the ceremony, has served on the U. S. Civil Rights Commission and is a member of the President's Advisory Committee on Foreign Assistance Programs.

O'Hara Or Danhof?

When Chief Judge T. John Lesinski of the Michigan Court of Appeals said he would ask Governor Romney to appoint Justice Michael D. O'Hara of the Michigan Supreme Court to the Court of Appeals he may have seemed to be in the business of graciousness, as he is a Democrat (former lieutenant governor under governors Swainson and Romney) and O'Hara is a Republican.

Judge Lesinski went further and suggested "We regard Justice O'Hara as a top flight legal mind. His experience would be of great value to our court at this time."

Rather than influence Governor Romney favorably, this could be the sort of thing that would injure O'Hara's chances for the Appellate Court judgeship. It is not that Romney is a Lyndon Johnson who will reject good ideas because they're suggested first by others, but because he feels completely confident to make an appointment to the court without aid from the Democrats.

At Lansing it's said that the Governor would probably name O'Hara to the Appellate Court out-of-hand were it not for the other prospect for the post, Bob Danhof, who has been Romney's legal aide throughout his years in Lansing and who has a strong claim on the Governor's patronage.

The situation presents Romney with a problem for a political Solomon. O'Hara has been a distinguished Republican member of the state's highest court. He was caught in the Democratic tide that the United Auto Workers launched to give Hubert Humphrey Michigan's electoral votes, as O'Hara sought re-election.

Elected to his \$40,000-a-year seat on the court was Thomas Giles Kavanagh of the Appellate Court, a Democrat. Kavanagh's election vacates his seat on the Court of Appeals, which pays \$32,500 a year. O'Hara is reported available for this lesser court post, as it would continue his judicial retirement plan, which is nearly half funded by his Supreme Court service.

He, or Danhof, or anyone appointed by Romney to the Appeals Court, would have to run for the office in two years, and O'Hara made a good run in the district which he would represent on the court, indicating a likely continuance under the elective system.

The election of Richard Nixon as President may bring a solution to the problem as there will be federal judicial patronage as well as state judicial patronage available in Michigan now and Danhof would be a prime prospect for district attorney or for the federal bench.

New Wave Of Births

The birth rate is back in the news. After a decade-long decline to a current lowest-in-history level of 17.4 (the number of live births per 1,000 women of child-bearing age), there are, population analysts report, unmistakable signs that the U. S. birth rate is bottoming out.

Not only that but 1968 is showing a sufficiently significant increase in total births over last year to indicate the beginning of a new upward trend likely to continue for a number of years.

Blame it on the war — not Vietnam but World War II.

In the baby boom that began in 1946 and continued through 1957, 65 million Americans were born — almost one-third of the nation's current population. The vanguard of this postwar crop of citizens has now reached the family-producing age and birth figures are beginning to show it.

No cause for alarm, however. The American population may be swelling somewhat more noticeably, but it is not yet exactly exploding. The nation's resources, if intelligently managed and distributed, are much more adequate to provide for a much larger population than at present.

But the world as a whole is not so fortunate. Even in U. S. births climb back to the level of 10 years ago — 25 per 1,000 — it will be modest in comparison to the galloping rates of many much less well-endowed countries.

A recent session of population experts at Columbia University issued yet another warning of disaster in the very near future unless birth rates are braked. A predicted doubling of the world population, to six or seven billion, would defeat current efforts, as successful as they have been in some areas, to bring the food-population ratio into balance.

One country where the problem is particularly acute, India, is trying a novel approach in spreading the family planning message. Multi-colored signs bearing such slogans as "Two or Three Children Are Enough" are being affixed to locomotives in hopes of getting the word across to millions who ride the trains and visit railway stations daily.

G. MENNEN WILLIAMS former Mich. governor, soon to be out of his job as American Ambassador to the Philippines, is shown in a happy mood displaying the bird he bagged on opening day of the pheasant season before taking his present post. He says that when he is replaced as ambassador he may stay in the Philippines. (AP Wirephoto)

Soon Out Of Job; Soapy Sans Regret

By WILLIAM SERRIN

Detroit Free Press Writer

G. Mennen Williams, former Michigan governor and American ambassador to the Philippines, is soon to be out of a job once more. But the craggy-faced Williams, now a graying 57, has no regrets.

He says that when President-elect Richard Nixon takes office and replaces him he just might stay in the Philippines for a while because he likes the Philippines that much.

The former six-term Michigan governor says he has read reports that have him succeeding John A. Hannah, 66, \$40,000 a year president of Michigan State University, when Hannah retires, probably in the next two years. But Williams says: "I've read about it, that's all."

Williams has no concrete plans. He says: "I expect to do my job here as long as we're wanted."

Travels Widely

When President Johnson appointed Williams as Philippines ambassador it was a choice plainly pleasing to the Filipinos, who liked the idea

of having an ambassador of note, with at least some influence in the White House.

Gregarious and hard-working Williams brought to the Philippines the same open demeanor and thick skin that he had taken to Africa in the early 1960s, when President Kennedy appointed him assistant secretary of state for African affairs.

Moreover he traveled widely in the Philippines, made frequent speaking appearances, and once even rode bare-chested on the back of a water buffalo while Philippines Vice-President Fernando Lopez, smiling broadly, served as buffalo tender.

Williams and his pretty wife, Nancy, began wearing Filipino dress, with the ex-governor hardly ever seen without a "barong tagalog," a light-weight heavily-embroidered shirt made from pineapple fiber. He wore the shirt so much that newspaper columnists in Manila, capital of the Philippines, began criticizing him for wearing "barong tagalog" more often than most Filipinos.

Stirs Controversy

In the Philippines, as it had in Africa, controversy followed Williams. In August, press reports from Manila said that Williams had demanded that a Marine lance corporal accused of shooting a Filipino be turned over to the Philippine authorities for trial.

In Washington, State Department officials hastily denied that Williams had ever made such a statement. They said it was a misuse of words. They did not elaborate.

The incident, occurring when the Marine shot the Filipino while he was allegedly stealing a bicycle from an American naval base, touched off an anti-American demonstration by about 1,000 Filipino students and laborers against the U. S. Embassy in Manila, which is also Williams' residence.

Praised By Filipinos

Williams' alleged remarks recalled his stint as under-secretary for African affairs, when he set white Africa on edge with his famous statement, "Africa for the Africans."

In both Africa and the Philippines, Williams has been one of the country's most effective American ambassadors.

In Africa, for example, he traveled more than 500,000 miles, as he barnstormed 36 countries in his five years of service, and helped see Africa

through perhaps its most crucial period in history.

In the Philippines, his outgoing personality was especially appropriate, at a time of high Philippine nationalism, during which many American actions, right or wrong, are suspect.

With three major American military bases on Philippine soil, relations are especially sensitive. Many Filipinos believed that Washington had often been more favorably disposed to the former enemy, Japan, and Williams did much to combat this sensitivity. Throughout the Philippines, wherever Williams traveled, he was praised. His zest and ability did much for the United States.

Even when he was awakened in the American Embassy at 3 a. m. with a Detroit Free friendly and responsive. He said he and Mrs. Williams had followed the Detroit Tigers' drive to the American League pennant, and their uphill victory over the St. Louis Cardinals in the World Series. Expressing the sentiments of many Detroiters, he said it was unfortunate the Detroit Lions weren't doing as well.

Knew Post Insecure

Williams' dedication is probably best evidenced by the fact that he took the Philippines post even though when he was appointed President Johnson was already a lame-duck president, in that he had announced he would not seek re-election. The chances were thus good that, come January, Williams would once more be packing his bags.

One thing is sure. Come January and the end of Williams' term in the Philippines, it is a sure bet that whatever job the ex-governor takes, private or public, he will bring the same zest, enthusiasm and complete commitment to it that he brought to the Michigan Statehouse, Africa, and the Philippines.

With the typical American brashness and verve which he always masters, Williams says simply: "It's the only way to do a job I know."

Win At Bridge

Pass 2♥ Pass 6♦	
Pass Pass	
Opening lead—4♣	

In chess, a gambit is a sacrifice of a piece or pawn in order to gain advantage in position. In George Coffin's ABC of card play, G stands for gambit and he defines a bridge gambit as a sacrifice of a trick to gain two or more in return.

We don't recommend South's bidding of today's hand but he did bid the slam and it was up to him to try to make it.

Many players would lay down a high trump at trick two. If this dropped the nine, bidder would enter dummy to discard his losers on the ace, king and queen of hearts. If the nine failed to drop, South would run off several more trumps and eventually try to get to dummy with the queen of spades. This will not work because East holds the king, and South would be set a couple of tricks.

The gambit play is far better. It consists of leading a low diamond at trick two. This gives the defense a surprise trick with the nine, and establishes an entry to dummy for the good hearts and will bring home the small slam, provided the third heart doesn't get ruffed.

Not only does this play work but it represents a far better method of attack than the play of the high trump first.

There would be no play for the slam if West had happened to open a spade, but West had a normal club lead. A lead from queen-jack-10 always looks good, while a lead of a doubleton looks dangerous.

Q-CARD Sense

Q-The bidding has been:
West North East South
1♣ Pass 1♠
2♦ Pass 3♣
Pass 3♠ Pass ?

You, South, hold:
▲ Q10854 ♥ A10 ♦ 53 ♣ 7554

What do you do now?
A—Bid four spades. No guarantee goes with this bid, but it is worth-while to try for this game.

TODAY'S QUESTION

Instead of bidding two diamonds, your partner jumps to three diamonds over your one spade. What do you do now?

Answer Tomorrow

Vaccine Needs Barnyard Romeos

WASHINGTON (AP) — The Pharmaceutical Manufacturers Association says member firms — hampered by a shortage of barnyard Romeos — are doing everything they can to step up vaccine production for a possible Asian flu epidemic.

The association said Monday one of the things complicating increased production of a vaccine to counter a new-found Hong Kong influenza strain is a shortage of mature hens and love-making roosters.

Fertilized eggs are needed for the virus strain to feed on in the production process. But most farmers sold their fertilized egg-producing stock in late summer before the need for the vaccine became known.

Ann Landers

Avoided Argument; Feels He's Coward

Dear Ann Landers: This is for Mrs. Merry-Go-Round, the woman who complained because she and her young husband were new in town and couldn't get any credit. You shouldn't be complaining, Girl, you should be thankful.

We married young, too, and our problem was too much credit. Every place we went we found people eager to sell us whatever we wanted — on time. The temptation to buy now and pay later was more than we could handle. After two years of married life we were so hopelessly in debt that our paychecks were spent before we got them.

Worse yet, money troubles nearly ruined our marriage. Every week we fought over who should get paid first and we always ended up blaming each other for the mess we were in.

In desperation we went to see my uncle, a very successful businessman. He showed us in black and white how expensive credit buying can be. In some cases the "carrying charges" added as much as an additional 50 per cent to the purchase price.

So please, Ann, when people write and ask how to get credit tell them to wait until they can pay cash. It's a lot easier on the nerves. — STILL PAYING

Dear Still: Some credit buying makes sense — such as the right kind of mortgage on a house — but your uncle's counsel contains much merit and is well worth listening to.

Dear Ann Landers: Last night my boyfriend and I had dinner at a small place which serves wonderful Italian food. The couple at the next table got into an argument. The poor woman was obviously getting the worst of it. I saw the man twist her arm as he yelled, "Take that back." The next thing I knew she was on the floor. I don't know if he pushed her or if she fell.

I wanted my boyfriend to do something to help the poor thing. Instead, he asked for the check at once (we hadn't even had our dessert) and he pulled me out of there. I feel he behaved like a coward and I told him so. Please back me up, Ann. — EL PASO

Dear El: Sorry, I don't agree with you. It's never a good idea to intrude in a private fight.

Some of those characters carry knives or guns and are plenty liquored up in the bargain.

It was up to the proprietor of the restaurant to end the fight or put them both out. Your boyfriend did the right thing.

Confidential to Horrible Dilemma: I find it remarkable that you have any friends left who will accept an invitation to your home. No, you can't order your mother to stay in her room when you invite guests in. The only solution is to entertain outside your home. This is, of course, more costly, but well worth it.

Confidential to One-Hundred-Dollar Girl: Congratulations. You win the prize — a full-lined shower-stall. Yours was the one millionth phony letter with the same tired plot. Go out and play in the traffic.

"The Bride's Guide," Ann Landers' booklet, answers some of the most frequently asked questions about weddings. To receive your copy of this comprehensive guide, write to Ann Landers, in care of this newspaper, enclosing a long, self-addressed, stamped envelope and 35 cents in coin.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Rescue Rapid Transit With Tax

SACRAMENTO, Calif. (AP) — Gov. Ronald Reagan plans to seek a one-half cent sales tax increase in three counties to rescue the San Francisco Bay Area Rapid Transit district.

Reagan announced this Tuesday after meeting with BART officials. A \$146 million deficit already has halted awarding of new contracts and threatened to leave a billion-dollar system of holes in the ground in San Francisco, Oakland, Berkeley and other Bay area cities.

The tax increase would be levied only in San Francisco, Alameda and Contra Costa counties. It would be additional to the present 5 per cent state levy and last 4 1/2 years.

Christmas Club:

Delta Members Save \$471,403

The distribution of upwards of a half-million dollars is being made this week to Christmas Club members by Delta County banks.

The \$471,403 is down approximately \$47,000 in total from a year ago. The distribution is made to Christmas Club members by the Northern Michigan National Bank, the State Bank of Escanaba and

the First National Bank and Trust Co. of Escanaba; the Gladstone State Savings Bank and the First National Bank of Gladstone.

They are among more than 10,000 banks and savings institutions that are in the process of mailing checks totaling over \$2 billion to members of America's largest club — Christmas Club.

This record amount nationally is an average of \$134 per member—the highest ever recorded according to Christmas Club a Corporation, the organization that originated the plan in 1910. The \$2 billion figure is double that of the 1953 Christmas Club, a scant 15 years ago.

A survey of Christmas Club members reveals that about \$900,000,000 of the club savings will be spent on gifts and that more than half of the club members plan to start their shopping before Thanksgiving Day.

Based on their survey, Christmas Club a Corporation projects that \$592,000,000, or 28% of the total, will go right back into savings while the remainder will be used for such expenses as taxes, insurance, college tuition and winter vacations.

The new record in both membership and dollars saved demonstrates that thrifty Americans prepare in advance for the year's biggest holiday.

E. G. Mickelson Dies In Hospital

MANISTIQUE — Ewald G. Mickelson, 52, of 717 Oak St., died at 2:30 a. m. today at Schoolcraft Memorial Hospital, where he had been a patient for three hours.

Mr. Mickelson was born Jan. 8, 1916, in Manistique and resided in Manistique all his life. He attended Manistique public schools and married the former Barbara Bosanic Nov. 24, 1938, in Manistique.

He was a member of Zion Lutheran Church and was employed by Manistique Pulp & Paper Co. in the maintenance department.

Survivors include his wife; three sons, Donald and David of Manistique; and Robert of Flat Rock (near Detroit); two brothers, Oliver and Harold, both of Manistique; four sisters, Mrs. William (Irene) Stork and Mrs. John (Linnea) Ott, both of Manistique; Mrs. Joseph (Viola) Steele of Fairhaven, Vt., and Mrs. William (Evelyn) Weiland of Warren, and three grandchildren.

Friends may call at the Messier-Broulliere Funeral Home after 4 p. m. Thursday. Complete funeral services will be held at 2 p. m. Friday at the funeral home with Rev. Ingemar Levin officiating.

Illness Claims Pat Roman, 38

The woman whom the Upper Peninsula Kidney Foundation of Escanaba hoped to be able to help with a \$10,000 fund-raising drive to purchase and install a kidney machine in Escanaba died early Tuesday morning.

Pat Roman, 38, died at St. Michael's Hospital, Milwaukee.

Miss Roman suffered from kidney failure and needed treatments from a kidney machine to remain alive. Nearest kidney machine to Escanaba is in Crystal Falls.

Miss Roman was born March 1, 1930, in Escanaba and had resided in Escanaba and Wells all her life.

She was a graduate of the 1948 class of Escanaba High School and had been a secretary at Holy Name High School and for the late Msgr. O'Neill D'Amour. She was a member of St. Anthony's Church, Wells.

Survivors include one sister, Mrs. Kenneth (Merle) Carlson of Escanaba; two brothers, Richard of Gladstone and William, Rte. 1, Gladstone; three step-sisters, Sharon and Elaine Shea and Mrs. Clifford (Marne) White of Oregon; one step-brother, Herman Shea Jr., and several aunts and uncles.

Friends may call from 3 to 9:30 p. m., Thursday at the Degnan - Crawford Funeral Home. Parish prayers will be recited at 8:30 p. m. Funeral services will be held at 11 a. m. Friday at St. Anthony's Church with Rev. Norbert Freiburger officiating. Burial will be in Gardens of Rest Cemetery.

E. J. LaBelle Dies Monday

Evariste Joseph LaBelle, 86, of Nadeau, died at 7:30 Monday evening at St. Joseph Hospital, Marshfield, Wis., following an illness of five weeks. He was a retired employee of the Menominee County Road Commission.

He was born on July 21, 1882 at Powers where he spent most of his life, except for the past five years during which he made his home in Nadeau.

He was a member of St. Bruno's Catholic Church of Nadeau and of the Holy Name Society.

In 1912 he was married to the former Mamie Burke in Spalding. His survivors include his wife; one daughter, Mrs. Albert Huotari, Spencer, Wis.; one sister, Mrs. Mary Baribeau, Milwaukee; five grandchildren and two great grandchildren.

Friends may call at the Kell-Tondin Chapel in Spalding beginning at 4 this afternoon. The Parish Rosary will be recited at 8 this evening at the Chapel. Funeral services will be at 10 Thursday morning at St. Bruno's Church with Rev. Aloysius Ehlinger officiating. Burial will be in Spalding Township Cemetery.

Monsignor Zyrd Dies In Rome

ROME (AP)— Msgr. Joseph L. Zyrd of Marquette, Mich., died late Tuesday night at the North American Pontifical College, where he was superior of the graduate house. He was 65.

The monsignor had undergone abdominal surgery a week ago. He came to Rome in 1960 as a spiritual director for the college's graduate house and was made superior of the house a year later.

A native of Marquette, he studied theology at the North American College and was ordained in Rome in 1927.

He returned to the Marquette diocese and became its vicar general, a post he held until his transfer to Rome in 1960.

Briefly Told

Carl L. Foti, 806 Ludington St., has won \$500 in Standard Oil's "Mr. and Mrs. NFL" game, announced Mel Lang, sales manager. The winning card was presented at Ludington Motors, 1636 Ludington St.

The Big Bay de Noe PTC Club will meet at 8 p. m. Thursday at the Nahma School. Dr. George Maniaci will be the guest speaker. Lunch will be served by the Nahma committee.

Robert Gibson, 30, Marquette, was ticketed by State Police for violation of the basic speed law Tuesday after a two-car accident about 4 p. m. at the intersection of U. S. 2 and U. S. 41 at Rapid River. Troopers said Gibson's car slid sideways on a turn and sideswiped a car driven by Wayne Scramlin, 45, Rivedale, Mich. Neither driver was injured. Troopers also issued traffic summonses to Leroy Willis, 418 Wisconsin Ave., Gladstone, expired registration plates, and Earl Lee, 114 S. 12th St., Gladstone, no operator's license and defective equipment.

HOW TO REALLY SEND YOUR CHRISTMAS MALE

Wrap up a swinging Christmas for him... send your male with gifts sure to win his stamp of approval. We have all the apparel and accessory ideas that are "In" style... and "In" favor with him from "HIS STORE".

ANDERSON-BLOOM

We are ready to help you solve your "What Will He Like" problems for that

MAN'S CHRISTMAS

U.P. Potato Growers Need Skill To Stay

Potato growing appears to be one of the better ways for Upper Peninsula farmers to survive agricultural change and stay on their land.

This being so, it's discouraging to note the decline in potato acreage in the Upper Peninsula, Dr. Karl T. Wright told the annual meeting of the Upper Peninsula Potato Growers Association at the Iron Inn, Iron River on Nov. 7.

The program offered the most comprehensive inspection yet of the prospects for potato industry in the Upper Peninsula by Michigan State University specialists and persons from food industry.

Dr. Wright, of the Department of Agricultural Economics at MSU, said he believed that "there is sufficient evidence to indicate that Upper Peninsula potato growers can make money on potatoes provided they follow good cultural practices, have an adequate acreage, watch investments and costs, have adequate financial backing, have good storage facilities, put a good quality potato on the market, and providing that the potatoes are efficiently marketed."

Takes Doing

But to do this would require the concerted efforts of everyone in the Upper Peninsula concerned with potato production and will take strong leadership, said Dr. Wright.

His report showed one of the main parts of U. P. agriculture in collision with modern methods of food production, processing and marketing. The program pointed ways in which U. P. potato farmers could compete in today's market but it also pointed the harsh realities of economics and how they have already eroded away most of the Upper Peninsula's potato growing.

The acreage of U. P. potatoes declined from about 18,000 acres in 1949 to 4,400 acres in 1964, a drop of about 75 per cent. In the same period the acreage of fall potatoes in the entire state dropped 57 per cent. The U. P., which contributed 22 per cent of the state total in 1949, supplied only 14 per cent in 1964.

The average yield of potatoes increased in both the U. P. and Lower Peninsula, but more so in the Lower Peninsula.

Sales Figures

While the state had a 2 per cent increase in production between 1954 and 1964, it dipped 9 per cent in the U. P. The five leading U. P. counties in acreage in 1964 were Houghton, Dickinson, Marquette, Delta and Iron, with a total of 3,700 acres, or 88 per cent of the U. P. total, compared with 67 per cent 10 years earlier. Potato production in these 5 counties in 1964 was 3 per cent greater than in 1954 in contrast to an 18 per cent decline for the entire U. P.

Sales of "field crops" (consisting almost entirely of potatoes) from these 5 counties made up 28 per cent of total sales of farm products in 1964, compared with 17 per cent for the entire U. P. and 31 per cent for the entire state that year. Among the 5 counties sales of "field crops" ranged from 12 to 43 per cent of total farm product sales in 1964.

Data Lacking

In trying to assess possibilities of future potato products in the U. P. it would be extremely valuable to compare acre costs, yields and prices in the Lower Peninsula and other competing areas, says Dr. Wright, but this kind of information is lacking.

MSU economists have compared a few U. P. growers' records with comparable ones from the Lower Peninsula and found that U. P. growers had smaller acreages, (48 vs 66 for an average), high yield and higher income. Net return of about \$60 per acre for U. P. growers in 1965 and 1966 compared with about \$45 for Lower Peninsula growers, but the latter got more for their crop, \$3.04 per hundredweight compared with an average of \$2.42 in the U. P., or 62 cents difference. There was also 60 cent difference in cost because of the higher U. P. yield. These figures are to be used with caution, said economists, because of the small sample.

Market Outlook

U. P. fresh potato market advantages are very good soil and climate; good yields and

comparable production costs. Disadvantages are small acreages, higher cost where production methods aren't good, long distance to markets, decreasing acreage of potatoes and hence decreasing number of buyers.

Specialists suggested that U. P. growers could produce potatoes at no higher cost than Wisconsin producers for a chipping plant at Rhinelander, Wis., but would have to change to a chipping variety of potato and bear somewhat higher transportation costs than the Wisconsin growers. "It would appear they could net as much per acre as Northern Wisconsin growers," said Dr. Wright. As for the fresh market, for which 85 per cent of U. P. potatoes are grown, it appears that most growers should have at least 75 acres of potatoes in order to get their costs per acre (machinery and labor) down to a competitive level. Total cost of production per acre shouldn't exceed \$500 and yield should average at least 300 hundredweight. Some U. P. growers can top these standards; some can't. Those who can should realize a good return on their labor, said Dr. Wright. Those who can't will have a low return, but, even so, potato production may be their best crop choice.

"For many there are only limited other cash crop possibilities," said Dr. Wright. "maybe dairying is a feasible alternative, provided high building investment isn't necessary. Perhaps off-farm work, becoming a part-time farmer, is the best alternative for some. Possible for some the only alternative is to leave farming and get a full-time job in town."

There's A Chance Your Thanksgiving Dinner Won't Cost You A Penny...

Here's All You Have To Do:

First you must buy a turkey at A&P.
Serve it for Thanksgiving dinner. Be unhappy with it.
Come and tell us (and bring the price label or register tape, of course).
We'll give you DOUBLE YOUR MONEY BACK (that should, just about cover the cost of your whole dinner).
Simple?
Well not really because we're not taking any chances.
We're selling only the finest turkeys.
Every "Super-Right" bird is U.S. Grade "A".
So we can't lose. But neither can you.
Is this a good reason for shopping A&P?
It's one of many.

Traditional Favorites! "Super-Right Meats!"

With The Deer Hunters

Joseph LaFleur Jr., 19, of Bark River, shot a seven-point, 150-pound buck while hunting at the L&M camp at Hardwood.

For three years Elizabeth Ann Roman of 606 S. 15th St. has filled her deer hunting license, and this season she downed a 150-pound spikehorn. Hunting from the Roman cottage at Pole Lake, she brought down the deer at 11 a. m. Sunday. Her record stands like this: First deer in 1965, missed hunting season because of sickness in 1966, and filled her license in 1967 and '68.

Summer Earliest Possible Debut For Jet Service

North Central Airlines scheduled jet service into Escanaba is not likely before next summer at the earliest, the Escanaba Lions Club was told Monday night.

Nick Farrell of Green Bay, field representative for North Central, said that DC-9 jet flights into Escanaba will depend on the Marquette airport situation.

"We don't have any definite plans on the Escanaba Airport, yet," he said. "It depends on Marquette. They're expanding their airport, also."

Joseph Rodman Wins MSU Honor

Joseph G. Rodman, son of Mrs. Lucile Rodman, 1109 3rd Ave. S., has been awarded a graduate assistantship by the Department of Management, Michigan State University. As a graduate assistant, he will assist a senior faculty member with teaching and research.

Rodman, a 1964 graduate of Holy Name High School, received his Bachelor of Arts degree with high honor in personnel administration last June. He is studying for the Master of Business Administration degree in personnel and human relations.

Romney Pledges Balanced Budget

EAST LANSING (AP) — Gov. George Romney pledged today that next year's state budget will be balanced and that the fiscal crisis of 10 years ago will not be repeated.

He told the annual meeting of the Michigan Farm Bureau that "We are going to live within our income. We are not going to spend more than we are willing to pay for."

Demands on state revenue, he noted, are increasingly being made by education, crime, welfare and the threat of civil disorders. "We must meet these challenges and many more while maintaining Michigan's fiscal integrity," he said.

Next year, Romney noted, will be the 10th anniversary of the 1959 "cash crisis" in Michigan, when the State Treasury sank into the red.

"It was only a decade ago," Romney said, "that Michigan experienced payless paydays, creditors banging at the door of the state's Treasury, hundred-million-dollar deficits, growing unemployment and mounting human problems."

THYBERG'S, Inc.

Almost Everyone's Jeweler

Farrell indicated that North Central has ruled out the immediate possibility of serving Houghton with jets because of inadequate runways and that Marinette-Menominee is considered too close to Green Bay.

Which City?

In the community scramble for jet service, that leaves only Marquette, Escanaba and Iron Mountain as "eligible" terminals in the central Upper Peninsula. Initially, North Central is not expected to be able to serve all three communities and assuming Marquette, with its heavier traffic, to be the flight terminus, that leaves Escanaba and Iron Mountain to compete for the intermediate stop on Green Bay flights.

What about Iron Mountain?

"I don't know," Farrell said. "They haven't started at all on their runways."

Farrell praised Escanaba's efforts to improve its airfield and terminal building, pointing out that boardings in Escanaba have shown a large increase in the past year.

From January through October in 1967, North Central boarded 6,634 passengers in Escanaba, he said. During the same period this year, 9,637 passengers have boarded North Central flights.

He also pointed to a 56 per cent increase during the month of October, from 679 passengers in 1967 to 1,056 in 1968.

Much of the increase in traffic he attributed to the additional flight North Central added to Escanaba service.

Need More Seats

The advantage to the airline in adding jet service to the Upper Peninsula will come in being able to provide additional seats. Because of the short hops from Escanaba to Marquette, for example, or from Green Bay to Escanaba, the gain in speed by jet service over the present prop-jet aircraft will not be significant.

A DC-9, however, is capable of carrying 99 passengers, while there are only 48 seats on the prop-jets now serving the area.

"We need more seats now out of Marquette and Escanaba," he added.

North Central presently has 10 of the DC-9 jets in service. By next September, 15 jets will be flying and by January or February all North Central aircraft will be prop-jet or jet.

LEGAL NOTICES

GREAT LAKES AND CONNECTING WATERS TROUT AND SALMON REGULATIONS

The Conservation Commission, at its meeting September 5, 1968, under authority of Act 230, P. A. 1925, as amended and Act 165, P. A. 1926, as amended, orders that for a period of two years beginning on January 1, 1969, no person shall catch or attempt to take any species of trout or salmon from any waters of the Great Lakes or connecting waters except with hook and line within the minimum size limits and maximum daily limits prescribed below or as may be otherwise provided by law.

All species of trout and salmon may be taken at any time. The size limit will be 10 inches with a daily limit of 5 singly or in combination.

Approved September 5, 1968.

Drilling For Oil Under Los Angeles

LOS ANGELES (AP) — Signal Oil Gas Co. will slant drill for oil under the downtown civic center, digging under and around the music center, hall of records, the courthouse and the county jail.

The contract was awarded Tuesday by the board of supervisors on Signal's high bid of \$137,085. The county will get one-sixth royalty on all produced in the 65-acre lease.

In a separate lease, the county retirement board accepted Signal's high bid of \$421,180, plus one-sixth royalty, to drill under 20 acres held by the board—including the hall of administration.

Local governmental units receive several million dollars annually from oil royalties.

Refused Induction

BAY CITY (AP) — Alan A. Schulz, 21, Saginaw, was sentenced to 5 years imprisonment Tuesday by Federal Judge Stephen J. Roth for refusing to be inducted into the armed forces. "I believe it is my duty to oppose unjust laws," said the former Michigan State University student.

Protective Custody Given Peter Lazaros

TROY, Mich. (AP)—A reputed Michigan State Police informer on Detroit-area Mafia activities, Peter Lazaros, is under "protective custody in his home" in suburban Troy, Michigan Atty. Gen. Frank J. Kelley confirmed Tuesday.

The Detroit News said it had learned State Police and Internal Revenue Service investigators have been dispatched as far away as Florida in a probe of statements attributed to Peter Lazaros that Oakland and Macomb county law enforcement officials and Detroit Police officials had accepted bribes.

The paper said it had learned from an "authoritative source" that Lazaros, in interrogation sessions with investigators, had described himself as a "fixer" for the Mafia.

In the jargon of the underworld, a fixer is a man who pays public officials in order to obtain favorable treatment or illegal services.

Lazaros, 34, who is out of Southern Michigan State Prison

on bond and awaiting a new trial on a fraud charge, has been a virtual prisoner in his home as a result of the police protection accorded him.

A reputed Detroit-area Mafia kingpin, Joseph Barbara Jr., is charged with extortion of \$4,000 from Lazaros' wife, DeLores, on the promise he would be able to arrange Lazaros' release from prison. He also is charged with raping Mrs. Lazaros while her husband was imprisoned.

Assistant Michigan Atty. Gen. James J. Wood said earlier this week his office would withdraw an appeal against a federal court order granting Lazaros a new trial on the charge of defrauding a loan company of \$127,400.

Wood said the decision to drop the appeal was made at the request of the State Police.

License Hike Not Sec. Hare's Fault

LANSING (AP)—Secretary of State James Hare says he's not the man to complain to about those higher license plate fees.

"Our department is being deluged with letters complaining about the sharp increase in motor vehicle weight taxes," he said, adding the higher charges aren't his fault.

Although Hare's department sells the plates, the charges are set by laws passed by the Legislature and signed by the governor, he noted. The fees were raised in 1967.

"Expenditure of this money is under the jurisdiction of the State Highway Department," he said. "The Department of State has no say about it one way or the other."

"Anybody who feels that this new added tax is unfair should take it up with the proper agencies," Hare added.

Education Dead If Not In Turmoil Says Dr. Dubridge

PASADENA, Calif. (AP) — Turmoil on college campuses today is "the inevitable characteristic of a rapidly changing world," says the president of the California Institute of Technology.

"An educational system not in turmoil," Dr. Lee A. Dubridge said Tuesday in his annual report to the school's trustees, "would be one that is surely dead."

The universities' success—not failure—have brought on disruptions, Dubridge said, adding that "despite its faults, our educational system gives more and better opportunities to young people than any other in existence—or in the history of civilization."

Cell Flooded

BAY CITY (AP) — Police stood by Tuesday as repairmen attempted to fix plumbing fixtures ripped out late Monday by 11 prisoners at the Bay County Jail. One cell block was flooded after a water pipe was broken, said Sheriff John W. Miller.

Image Concern Of New Judges

BATTLE CREEK (AP) — Judges of Michigan's newly created District Court met Tuesday for the first time since their elections Nov. 5 for a business session designed to help phase the new court in on schedule Jan. 1.

The judges who replace abolished justices of the peace next year, were told by Chief Justice John Dethmers of the State Supreme Court that the public's impression of justice in Michigan will largely depend upon them.

"The image of the courts on which the administration of justice depends will be created by you more than anyone else," he said.

The meeting's agenda called for selection of a committee of district judges which will work with the Supreme Court in drawing up procedural rules and legal forms for the new 150-judge statewide court.

Supreme Court Justice Eugene Black, chairman of the high court's committee on district court administration, said judges who encounter problems in the early days of their new court should bring them to the attention of his committee.

Black said that when problems arise, the Supreme Court could modify by administrative order provisions of this year's lower court reorganization act.

"All we ask of you is that you make sure you cannot solve the problem yourselves before you write to us," Black said.

GLADSTONE Public Library Adds 645 Books

The Gladstone School and Public Library has added 645 books which have been purchased or donated during the past four months. During the month of October 5,188 books were issued with an average daily circulation of 225.6, fiction being 72.3 per cent.

Many non-fiction books which should appeal to persons interested in art, crafts or hobbies are available. Included in the recent selection are: "Decoupage—A Limitless Work in Decoration," "The Collectors Pocket Book of China," "Talking Hands," (How to use Indian sign language), and "Crewel Embroidery."

For those interested in food and entertaining, the following selections have been purchased: "Eat, Drink and Be Merry," "Sweet Way to Diet," "Table Settings, Entertaining and Etiquette," and "Table for Two."

From the current best seller list in fiction the latest additions include: "The Senator," by Drew Pearson; "The Salzburg Connection," by Helen MacInnes, and Allen Drury's new novel, "Preserve and Protect." Among the non-fiction best sellers are "The Beatles," an autobiography, and James Michener's recent book on Spain, "Tiberia."

Church Events

Evangelical Covenant
Circles of the Evangelical Covenant Church will hold their monthly meetings on Thursday. The afternoon circle will meet at the home of Mrs. Ellen Molin, 619 Minneapolis Ave. at 2:30 p. m. Mrs. Mary Hendrickson and Mrs. Linda Erickson are in charge of the program. The Evening Circle will meet with Mrs. Loren Anderson, 307 S. 9th St., at 8 p. m. with Mrs. Clifford Goodman and Mrs. Arthur Laughbaum in charge of the program.

First Baptist Church
Mrs. George Johnson was in charge of the program and devotions for the Monday night meeting of the First Baptist Church Women's Missionary Society. Miss Maureen Fagan presented a piano solo and Mrs. Pat Smith a Thanksgiving reading. Mrs. Johnson accepted the love gift offerings. Refreshments were served from a table decorated in the Thanksgiving motif by hostesses Mrs. Vern Vail, Mrs. Orville Repp, Mrs. William Cowman and Mrs. Jack M. Hewitt.

Police Crack Betting Ring

DETROIT (AP)—Eleven men and a woman have been charged with operating a football betting ring that took in an estimated \$75,000 a week in Detroit and its suburbs.

The 12 were released on \$500 bond each Tuesday after being arraigned.

The local ring was part of a national football betting syndicate run out of Las Vegas, said Lt. Robert Bullock, commanding officer of the rackets conspiracy bureau of the Detroit Police Department.

Police said they confiscated \$4,000 in cash, 20,000 betting slips and an unregistered gun. The betting slips rated Ohio State a three-point favorite against the University of Michigan in their Rose Bowl bid game this Saturday.

Those arrested were: Mrs. Dorothy Louis Eicher, 39, her husband James, 40, Anton J. Sadowski, 49, Charles E. Smith, 22, and Richard Lyall Haynes, 40, all of Roseville; John G. Stanco, 29, Maurice J. Leen, 32, and George D. Clements, 41, all of Detroit; Harold S. Schrade, 41, Gordon H. Bauss, 31, and Robert Berger, 30, all of East Detroit, and Stephen W. Starzewski of St. Clair Shores.

Vehicle Covers Flats At 138 MPH

BONNEVILLE SALT FLATS, Utah (AP) — A battery-powered vehicle whisked across the salt flats at an average speed of 138.862 miles an hour Tuesday.

"I expect we're starting a whole new game," said a spokesman for Ford Motor Co., which promoted the speed run by driver Jerry Kugel.

The car, named the Autolite Lead Wedge, has 20 regular production lead acid batteries, 10 on each side. They are wired in series to power a rear-mounted motor similar to those used in fork-lift trucks.

The car went 139.8 miles an hour one way and 137.8 miles an hour on the return trip, being clocked for one mile each way.

Teacher Tower

An \$8 million twin-tower apartment complex in Ann Arbor will shortly start becoming a home for retired Michigan educators. Purchase of the 12-story Huron Towers, at 2200 Fuller Road in Ann Arbor, has been announced by the Michigan Education Home Association, an affiliated organization of the Michigan Education Association. In the complex are 360 apartments with from one to three bedrooms, a large heated swimming pool, a covered three-deck parking garage, and several commercial establishments.

STONED TO DEATH

After the Spanish conquest, the Aztecs attacked the palace. Montezuma, the last Aztec emperor of Mexico, tried to calm them but was stoned to death.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year... more than for all magazine advertising combined and more than 300 million more than radio advertising.

NOTICE TO CREDITORS OF

**BAY DE NOC COOPERATIVE COMPANY
ESCANABA, MICHIGAN**

NOTICE IS HEREBY GIVEN that the stockholders of Bay de Noc Cooperative Company have, by appropriate action, voted that the association be dissolved, its assets liquidated, and its affairs wound up out of Court.

In accordance with this action, the Board of Trustees has set December 31, 1968 as the last day on which creditors may present their claims at the office of the corporation in Escanaba, Michigan. Said claims shall be presented in writing and verified by the claimant or an officer of the claimant, and shall be accompanied by a copy of the document or documents establishing said claims.

Lady In Distress; Who Does Best?

LONG BEACH, Calif. (AP) — Standing forlornly beside an automobile stalled just off the Pacific Coast highway stood, on different days: (1) A shapely lass of 19 in a miniskirt and (2) A grandmotherly type of 75.

It was a test of who does best among ladies in distress.

Within three minutes after pretty Temre Jaco took up her position beside the car the first of a parade of males stopped to try to rescue her. Each time the scene was restaged at a different location, she had an offer of assistance within three minutes.

But 17 minutes went by before the first good Samaritan stopped for the older hitchhiker, Ula B. Scanlon.

The Long Beach Independent Press-Telegram staged the test. A photographer lurking on the other side of the heavily traveled highway reported he got finger cramps from snapping pictures of males who wanted to help Miss Jaco.

Her offers included one of a ride, "Anywhere."

"They were all nice," she reported. "I think people are willing to get involved."

A junior at California State College in Long Beach, she conceded that the miniskirt encouraged involvement.

Mrs. Scanlon drew Sir Galahads, after the initial try, at an average of one every eight minutes. She said her would-be helpers were nice, too.

As to the comparative roadside fortunes, she offered this philosophical comment:

"That's show business. The young ones have more to show than the old ones."

Murder Warrant

DETROIT (AP) — Inspector Delore Ricard of the Detroit Police Department homicide bureau requested a murder warrant Tuesday against Gary Holleran, 22, of East Detroit, in the fatal shooting of Henry "Doc" Savage, 50, in a weekend brawl outside a bar. Savage was a widely known Detroit bondsman.

Reed City Loan

WASHINGTON (AP) — The Department of housing and Urban Development has approved a \$965,000 loan for hospital construction in Reed City, Mich. The project calls for 50 in-patient beds and 50 extended care beds.

Old Rugged Cross
Is Most Popular
Hymn In U.S.

"The Old Rugged Cross," is the most popular hymn in the United States and Canada, according to a coast-to-coast poll conducted last spring and summer by the Seventh-day Adventist Church. In this poll, "How Great Thou Art," is in second place. Over 120,000 persons were interviewed.

According to a poll conducted in Escanaba by the local Adventist Church, "How Great Thou Art," was in first place, with "The Old Rugged Cross," in second, tying with "Onward Christian Soldiers."

Of further interest to Michigan residents, the words and music of the "Old Rugged Cross," were written in Albion, Mich., in 1913. Pastor George Bennard was the creator of the song. Pastor Bennard became a Salvation Army official at the age of 19.

Although Pastor Bennard composed other hymns before his death in 1958, his fame rests entirely on the "Old Rugged Cross," considered by many as the greatest gospel song ever written.

Mincemeat, as it originated centuries ago, was made of chopped meat, sun-dried fruits, and nuts. The choicest ingredients from the East — sugar and spices — were added to symbolize the gifts of the Magi, brought in homage to the newborn King in Bethlehem. The mincemeat was made easier to eat, since forks were yet to be devised, by cooking it with a pastry top which could be used as a server. Sometimes the crust was latticed to signify the rack

Women's Activities

Mrs. Erickson
Honored On
90th Birthday

Mrs. Louis (Tilly) Erickson of Groos was honored with an open house reception Sunday, Nov. 17 at the Immanuel Lutheran Church on the occasion of her 90th birthday.

Over 150 friends, relatives and neighbors attended the open house which was held from 2 to 5 p. m. A buffet lunch was served and a large decorated cake centered the dinner table.

Mrs. Erickson has resided in the Escanaba area for the past 65 years, coming here from Norway, Europe at the age of 25. Her husband, Louis, who is deceased, was employed as a carpenter.

Mrs. Erickson has three children including Mrs. Myron Nelson of Ford River, Mrs. Francis Harwood of California and Carl Erickson of Tomah, Wis. She also has 11 grandchildren.

Mrs. Erickson's hobbies include knitting and visiting with her children. Speaking of the birthday celebration, she said, "It is the nicest thing that has ever happened to me."

She presently resides with her granddaughter and husband, Mr. and Mrs. William Schuitz Jr. of Groos.

of hay in the stable. Traditionally the Christmas pie was shaped in the form of the manger.

Mrs. Louis Erickson

Rapid River
LCW Meeting

The LCW of Calvary Lutheran Church, Rapid River, will meet at the parish hall on Wednesday evening, Nov. 20, beginning at 8 p. m. A program entitled, "Of Hope and Expectation," will be presented. Hostesses will be Mesdames Leonard Thorsen, Victor Pearson and James Johnson. All members and friends are invited.

Mrs. Dorothy Griffith, Mrs. Betty Hanrahan and daughter, Nancy, and Mrs. Gail Mallory and daughters Debbie and Kathy, Chicago, Harold Thomas and Gary Shellabarger, Fair Haven, Mich., spent the past weekend at the home of Mr. and Mrs. Wayne Young.

California
Swim Fashions
'Head For Cover'

LOS ANGELES (AP) — The word from California's swimwear designers for 1969 is "head for cover!"

Some suits in the spring swimsuit show of the California fashion creators still show the maximum of skin, but the new trend is away from the bikini and back to the swimdress.

Wraps are going on those bikinis, literally from head to foot. The beach pajama is "in."

"Obvious sexline is out," said one swimsuit maker Tuesday, "but there's a game of intrigue going on."

If the look in recent years was tough, the new look turns around and becomes decidedly feminine.

Cole of California calls its collection "Love," with several styles resembling frilly lingerie.

One style is simply called a "Swim Slip," and in soft blue jersey it looks like just that.

Dewesse Designs includes a black lace bikini in their lingerie look and borrows from the bedroom a "Karate Coat" for coverup.

Another designer, Alexa, brings the Japanese "Happi Coat" to the beach.

Everyone shows a version of what Catalina dubs the "Triki-ni," a blushing interpretation of the bikini with a short skirt wrapped around the brief bottom.

The shocker of this year's collection is the covered look. As

Events

Square Dance
The Promenaders Square Dance Club will sponsor a dance Saturday at the Eagles Club in Escanaba. Dancing will be from 8:30 to 11:30 p. m. Caller will be Dale Mocklund of Marquette. All square dancers are invited.

one observer put it: "It's nice not to see so many navels for a change."

Holy Name
Parents' Club
Meets Thursday

Holy Name High School Parents' Club, meeting at 8 Thursday evening in the multi-purpose room of the school, will feature the Rev. Glen Weber as guest speaker. Rev. Weber, who is presently serving as chaplain of the Catholic Student Movement at Northern Michigan University and regional superintendent of the Marquette area Catholic schools, will discuss testing.

Faculty members will be in their home rooms from 7 to 7:55 p. m., for the regular parent-teacher consultations. Mrs. Robert Casey of St. Patrick's Parish and Mrs. Carroll Douck of St. Joseph's Parish will serve as chairmen of the refreshment committee.

Hermansville

Mass Schedule
Masses at St. Mary's Church, Hermansville on Sunday, Nov. 24 will be at 8 and 10 a. m. and at 7 p. m. to accommodate hunters in the area.

Church Events
Bethany Lutheran

The Lutheran Church Women of Bethany Lutheran Church will meet Thursday at 8 p. m. Slides will be shown by Dr. Mary Creftens, M. D. of her summer trip aboard the "S. S. Hope." The Coral Circle will serve and the Gold Circle is in charge of the program.

League's Fund
Drive Near Goal

The annual finance drive of the Escanaba League of Women Voters is drawing to a close, reports Mrs. William Taylor, president.

"The drive has been successful to this point but we have not yet reached our goal. We must still raise \$200," she said.

The League is supported in part by member dues and the proceeds of its annual used book sale, but it must also rely on contributions from members of the community to carry on its work in voters service, legislation, and candidates' meetings.

Claims Miniskirt
An Insult To Him

LONDON (AP) — "It's obscene," said Reg Boucher about the miniskirt. "I can't walk down the road or sit in a restaurant without seeing girls exposing themselves all the time."

Boucher, 45, was brought into a magistrate's court Tuesday, accused of assaulting Jessie Watkins, 22, by touching her thigh and slapping her face, and of using offensive language.

Mrs. Watkins testified that she sat opposite Boucher in a commuter train. She said as she got up to leave he touched her thigh and called her a harlot.

She screamed. He slapped her face. The police came.

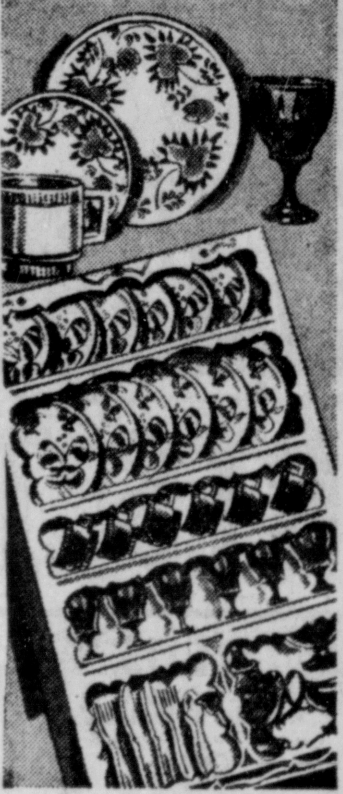

Boucher refused to plead guilty or not guilty.

"Let's get things in the right order—she insulted me," he said. "Why should they get away with it, exposing themselves like that?"

The magistrate fined him the equivalent of \$84.

Lutheran Ladies Sew For World Relief Program

Ladies of many of the Lutheran churches throughout America have been busy for the past several weeks sewing blankets from used coats, trousers, drapes, etc. Blankets are urgently needed in many countries of the world as the winter season approaches.

Each year, for the past 20 years, churches have been gathering used clothing during the Thanksgiving season for the Lutheran World Relief program. Over the years the clothing needs have changed with the stress no longer on adults. Good adult clothing is still needed but it is best used now when "converted" into blankets. Some of the area churches have set a goal of one used or "converted" blanket for each family in the congregation.

Other items most needed are children's clothing. While adult clothing styles vary so that American type clothing cannot be used everywhere, this is not true in children's styles. The need this year for children's clothing is urgent. Families in the Lutheran churches are being challenged to give one set of clothing for each child in their family.

Each year a boxcar starts at Escanaba with stops at Marquette and Green Bay. Last year nearly 17,000 pounds of clothing was sent, according to Rev. Roger Patrow, area chairman.

Anyone having good used clothing may bring it to the Lutheran church nearest their home. No shoes, hats or ragged clothing can be used.

FOR THE PAST 20 YEARS during the Thanksgiving season Lutheran Churches throughout America have been gathering used clothing for the Lutheran World Relief program. Through the years clothing needs have changed and blankets are now the most needed items. Chairman for local drive this year is the Rev. Roger Patrow of the Immanuel Lutheran Church. In the left picture Immanuel ladies are shown sewing the clothing pieces together to form blankets. From left are, Mrs. Jens Jensen, Mrs. Arni Rian, Mrs. Robert Allen, Mrs. Ray

Norberg and Mrs. Frank Pascoe. In the second photo, ladies of the LCW press and trim the finished blankets and ready them for packing. Pictured from left, Mrs. Hank Olson, Mrs. Hilda Brunette, Mrs. Victor Peterson, Mrs. Stanley Jefferson, Mrs. Frank Schmitt and Mrs. Robert Clayton. Anyone having good used clothing may bring it to the Lutheran church nearest their home. (Daily Press Photos)

Special Film Showing At Calvary Sunday

Calvary Baptist Church will present a special film on the life and conversion of Jerome Hines on Sunday at 7 p.m. at the church. Hines has been a leading basso with the Metropolitan Opera Co.

The film presents a behind-the-scenes glimpse into the life of the star including his conversion, meeting with Khrushchev, his role as Meshistopheles and his portrayal of Christ.

The CYF of the church will lead the presentation and everyone is invited to attend.

Covenant Church Women To Meet

The Evangelical Covenant Church Women will meet at 2 p.m. Thursday at the church. Mrs. August Eckman will read the scripture and Mrs. H. E. Crebo will lead the prayer. Hostess will be Mrs. Maurice St. Ours.

Members are to bring their thank banks and members and friends are invited.

Events

Bark River Methodist
Thursday, Nov. 21, 7:30 p.m.
—Official Board will meet at the church.

First Presbyterian
Thursday, Nov. 21, 9:30 a.m.
—Women's Study group; 7:30 p.m. — Teacher's meeting.

Central United Methodist
Thursday, Nov. 21, 2 p.m.
Ruth Circle and Esther Circle meetings.

First United Methodist
Thursday, Nov. 21, 2 p.m.
Harmony Circle will meet. Mrs.

Kathryn Williams and Mrs. Mabel Gydesen, will be hostesses.

Immanuel Lutheran
Thursday, Nov. 21, 1 p.m. — Sewing and packing; 4 p.m. — Cherub Choir and Adult information; 7 p.m. — Library committee.

Joshua Stoddard, who invented the calliope, envisioned it as a replacement for church bells. However, it found its true home in the circus. P. T. Barnum bought one of the first and spent \$10,000, he said, to mount it on a gaudy red and gold wagon pulled by eight matched perchons.

Births

DECKER — Mr. and Mrs. John H. Decker, 932 N. 18th St., are the parents of an 8 pound, 12 ounce baby girl born at 1:58 this morning at St. Francis Hospital. The baby, as yet unnamed, has a brother, Scott. Mrs. Decker is the former Susie Karl of Powers.

Nahma

Mrs. Alma Devet of Garden spent several days at the home of her brother and sister-in-law, Mr. and Mrs. Wallace Bennette.

Mrs. George Girard of Marquette visited Saturday at the home of her parents, Mr. and Mrs. Harry DeRosier.

Mr. and Mrs. Philip Fortin left Sunday for Northbrook,

Ill. where they will visit their children for several days.

Alfred Blowers, Tom Duncan, and Bob Sturdevant, all of Detroit are staying at the home of Mr. and Mrs. William French while hunting in the area.

George LeBrasseur spent the weekend at his cabin on the Golf Course Road.

Mr. and Mrs. Mark Schumacher of Harbor Beach, Mich.

are staying at the home of Mr. and Mrs. Maurice LaVigne while hunting in the area.

Mr. and Mrs. Vern Blowers of Detroit and Mr. and Mrs. Norman Blowers of Anderson, Ind. are visiting at the home of Mr. and Mrs. George Blowers.

Rose Ann Sargent, student at NMU, Marquette, spent the weekend with her parents, Mr. and Mrs. Henry Sargent.

Two Christmas Trees "In" Thing This Year

The "in" thing for Christmas 1968 for those in the affluent society will be two Christmas trees in the house!

That's the official word from the man who knows about these things, Albert V. Sadacca, "dean", of the electric Christmas tree light industry, and one of the brothers who invented the electric Christmas tree light.

According to Sadacca, one tree, the larger one, is the "show" tree that is placed in front of the picture window. The second tree is the one which is kept in the family room, for the family.

"Two trees in the home has been the growing trend over the past decade in the society that leans towards two cars, two bathrooms and even two houses according to the trend studies," Sadacca points out.

Christmas Cheer

"Actually, though, there is more to this growing idea than merely a 'snob' attitude. Members of the household feel that having two trees is a way of spreading Christmas cheer not only throughout the home but to also give the effect of telling the world out there, via the show tree, that 'the tree in the window is an extension of our Christmas tree card'. It tells passersby that the people in this house wish the people in your house, a merry, merry Christmas."

Family Tree

"The need for the second tree lies in the fact that the family doesn't really want to share its emotions or make public its own intimate Christmas setting. So the second tree finds its way into the family room where the stockings are, 'hung with care', and the presents are piled up," Sadacca said. "Mom and dad like this idea of the second tree being in the family room so they can sit around in their robes while the children open those mysterious packages."

The problem facing mom and dad today is how to decorate a live tree or even a plastic green tree, the type of tree which is currently popular for showing at the front window.

"This showcase tree presents a problem because it is all-green and is replacing the aluminum tree which just required ornaments, and a multitude of lights to dramatize the setting. Now, in order to keep up with the Jones' one has to relearn how to decorate the tree," he said.

Miniature Lights

"Simplicity should be the watchword, and the ideal way, in order to cover more area and give a greater variety of

Garden Peninsula

Navy Honor

The Navy League honored S. Sgt. Richard Ranguette, son of Mr. and Mrs. Lloyd Ranguette, Fairport at a luncheon at Pearl Harbor on Oct. 29. Ranguette is stationed at Barbers Point, Hawaii and his citation was for outstanding enlisted man. He has served eight years in Korea, Japan, Thailand, Dominican Republic and Vietnam where he earned the Navy Commendation Medal. Sgt. Ranguette is married to the former Joanne Holms of Round Lake, Ill., and they have three children.

Mr. and Mrs. Harold Rusch of Oshkosh, Wis. were weekend visitors at the Walter Kreshefski home in Vans Harbor.

Jerry Dodson and Mr. and Mrs. Eugene Jones, of Taylor are visiting at the Ed Paulson home in Kates Bay. Mr. Jones bagged a buck opening day.

With the Hunters

Successful hunters at Ty-lene's Resort were Judy Hawkins of Ferndale, spikehorn on opening day; Bruce Emery, Cleveland, Ohio, spikehorn, opening day; Dick Clark, Brunswick, Ohio, spikehorn, opening day; Ted Ciolkowski, 220 pound, 10 pointer on third day; Richard L. Markam, Mt. Clemens, four pointer, opening day; Joseph L. Gidney, Mt. Clemens, spikehorn, opening day; Walter Mack, St. Clair Shores, nine point buck, second day; Ray LeGault, Harbor Beach, spikehorn, 175 pounds, third day and Thomas Barton, Antioch, Ill., 200 pounds, nine pointer on the second day.

Bob Rhinehart of Walled Lake, bagged a 12 point buck in the Fairport area the third day of season.

John Sparks of Walled Lake shot his spikehorn the third day of season, hunting from Ty-lene's Resort.

Barry Rochefort, Kates Bay, bagged a 175 pound buck on the third day in Kates Bay.

Mrs. Robert Bunaco and daughters Ginger and Julianne of Marquette were weekend visitors at the Joe Duchene home.

Voluntary offerings for the support of the Pope are known as Peter's pence.

Bridge League Session Held

Beginners Duplicate Bridge League met Monday at 7:45 p. m. at the Elks Club.

Winners were Annette Katarincic, and Alice Polomis, first; Pat Marenger and Mary Jane Timler, second; Mr. and Mrs. Albin Pearson, third; Ron Timler and Wally Marenger, LaVerne Douck and Florence Buchanan, tied for fourth; Mr. and Mrs. Lawrence Johnson, fifth.

The next session will be held Monday, Nov. 25 at 7:45 p. m. at the Elks Club.

FOB Detroit

By Jerry Green

DETROIT — It is All-America time again, and aren't you just thrilled?
Or rather it was All-America time. Past tense.
Too many of the All-America teams are picked in the first week of November, or even earlier. Ballots are sent out in October.
The promoters of these so-called 1968 All-America teams, which includes the Football Writers Association, defend this action.
"We don't have time to wait," they maintain.
They claim it takes time to get the team into production. That means a magazine cannot be produced as fast as a daily or even a weekly newspaper. Therefore, when LOOK runs the Football Writers' All-America, it has to have the team selected early.

Frankly, to me it's a sellout by the Football Writers' Association. Most of the group's membership happens to be employed by daily newspapers, such as this one. Yet when the organization's All-America is selected, it is done with many games left in the season. Then it is not the daily newspapers who benefit from the announcement — it is a magazine.
A lot of other All-America teams are just the same. The players are picked according to how they played in September and October. Or how their publicity men built them up in June. This all is pertinent now because Ron Johnson is likely to be deprived of his rightful position on a number of All-America teams this year. It is unjust.

There is no football player in America, other than O. J. Simpson, more qualified for All-America recognition this year. But the man who was good enough to break Tom Harmon's records at Michigan and match Red Grange's in the Big Ten probably won't be good enough to be All-America.
It seems Leroy Keys of Purdue got all the buildup around here, the Midwest. He'll be the other All-America runner with O. J., at least on the Consensus All-America.
But Ron Johnson this year is more deserving.

Joe Schmidt stubbornly refuses to give Bill Munson a rest-cure.
He ought to, he ought to started Greg Landry Sunday for the Lions. When an offense scores one touchdown in four games, something drastic should be done.
But to take Munson out, even though he is hurting, would appear like an admission of lack of confidence in the new quarterback. This Schmidt cannot do, unless Munson comes to him and says he is hurting so much he should be rested.
And Munson won't do that because of his history in Los Angeles. When he hurt his knee in 1965, he never got his job back.

This is what is known as a dilemma. It would be interesting to see what Lincoln can do, now that he's absorbed most of a season.
Then there was Bobby Layne's crack when the Lions officially retired his No. 22 last Sunday. They presented him with an old shirt.
"They ought to cut it up into small pieces and make coasters out of it," said Layne.
It was nice to hear a quarterback cheered anyway when Bobby was introduced.

"They ought to cut it up into small pieces and make coasters out of it," said Layne.
It was nice to hear a quarterback cheered anyway when Bobby was introduced.

Eagles Place Ditka, Ballman On Waivers

PHILADELPHIA (AP) — Ends Mike Ditka and Gary Ballman of the winless Philadelphia Eagles have been suspended and placed on waivers for granting interviews critical of Coach Joe Kuharich.
Ballman and Ditka, over the past seven years two of the top pass catchers in the National Football League, both confirmed they were set down indefinitely by Kuharich, also general manager of the Eagles.
"He called me in and told me in his little way that I was a troublemaker and was suspended indefinitely," Ditka said.

"I'm on suspension and believe he asked waivers on me," Ballman asserted.
The Eagles made no announcement. Kuharich said, "When we have something to announce we will. These rumors you get from people you have to take with a grain of salt."
Ditka, played six years for Chicago before being dealt to the Eagles in 1967.
Ballman was drafted by Pittsburgh in 1962 and was acquired by the Eagles a year ago.
Ditka has been sidelined with various injuries and hasn't played much this season as the Eagles lost their first 10 games.
He said he was asked in New York if he would play again for Kuharich.

"What I replied was: 'No, I don't think he wants me to play for him. And I don't want to play for anyone who doesn't want me,'" Ditka said.
Ditka was quoted as saying at a luncheon in New York Monday: "There is a need for a change somewhere. We're not that bad a ball club, not bad enough for an 0-10 record."
"The whole problem is discipline. We had it in Chicago and won a championship with what actually wasn't the best team in football that season."
Ditka said he plans to appeal the suspension if Kuharich tries to make it stick. He said he already was in touch with the Players Association for advice.
Ballman apparently was suspended because he was being openly critical of the Eagles' offense and Snead. His relations with Kuharich, however, have been strained.

Ballman a split end, said Snead seldom threw deep passes to him.
Ballman said of his Tuesday confrontation with Kuharich: "Mr. K. told me I wasn't going along with Eagles' program."
"I told him that the version in the newspaper was not the way I said it."
"He has told the players not to believe what they read in the newspapers. Evidently, he believes what he reads or we wouldn't be in this situation."

Under NFL rules, other teams have 24 hours to claim the two players under waivers. The Eagles then have 24 hours to withdraw the names if they choose.

Star Performers Named On All-State Class C Team

By The Associated Press

If size meant more than performance, the 1968 Class C Associated Press All-State high school football team wouldn't rate a second look. But it's performance that counts most in football, particularly in high school ranks, and this year's selections have been standout performers all season.

The entire squad averages only 195 pounds. Two players stand only 5-foot-8 and the biggest is 6-foot-1, 215 pounds. Those chosen were: ends Gary Johnson of Ferndale St. James and Larry Zabel of Hemlock; tackles Ray Goudreau of St. Ignace and Howard Kniffen of Dundee; center Craig Heenan of Flint Holy Redeemer; guards Dave Trinklein of Frankenthum and Mike Hoeve of Freeland; quarterback Jack Zwemer of Detroit Country Day; and running backs Jerry Maitland of Montrose, Jim Essian of Detroit St. Martin and Jim Kolenko of Watervliet.

St. James Coach John Shada describes Johnson as "easy to coach and the type of player any coach would be pleased to have." The captain and a tremendous blocker, Johnson led his team to an 8-1 record, averaging eight unassisted tackles a game. Shada said three-quarters of all the team's plays were run Johnson's way on the right side of the line.

Zabel is at his best on defense, although he caught 10 passes in what his coach Bob Wallace described as "critical situations." Zabel's defensive ability caused opponents to try the opposite side of the line 75 per cent of the time, said Wallace. A B-plus student, Zabel is the first All-Stater Wallace has had in his eight years at the school, which was 8-0 this year and ranked fifth in the class.

Goudreau led St. Ignace to a 7-1 record by collecting the most

tackles of any player in the Upper Peninsula, 96 on them unassisted. He was voted to be the first team All-Upper Peninsula on offense and defense as a tackle.

Although Dundee had only a 4-5 record this season, Kniffen excelled in blocking and tackling. He was a regular for the last three years.

Heenan anchored a Holy Redeemer defense which held foes to fewer than six points a game in gaining a 9-0 won-lost record, good for second in the state. The senior co-captain is considered the best blocker on an offense that averaged 25 points a game.

Trinklein, guard, is considered the best player on Frankenthum's 9-0 Class C state championship team which has won 33 of its last 34 games. And yet he is only 5-foot-8 and 165-pounds. The other All-State guard selection, Mike Hoeve, is also a heavyweight wrestler. Freeland coach Jack Curl says he has

"fantastic lateral movement and is much better going left or right than straight ahead." He is a leader and other players look up to him," Curl adds. Freeland won 6, lost 2.

Jack Zwemer, No. 1 quarterback choice, had 1,553 yards total offense this season for Detroit Country Day. He completed 80 of 153 passes for 1,134 yards and eight touchdowns and four extra points, and ran for yards and eight touchdowns and three extra points. The B-average student lettered four years.

Running back Jerry Maitland scored 24 touchdowns this year to pace Montrose to a 8-1 record. He is a definite breakout threat and nine of his goals covered 50 yards or more. He picked up 1,194 yards rushing on 139 carries and ran four punts back 55, 62, 77 and 65 yards. The 5-foot-10 senior has gained more than 100 yards in his last 17 games.

Essian played both offense and defense in leading Detroit

St. Martin to a 5-0-2 record. He scored 17 touchdowns, ran 1,500 yards on 130 carries and was in on 63 per cent of all his team's tackles.

Watervliet's Jim Kolenko is the second highest scorer in western Michigan history. He racked up 138 points this year on 23 touchdowns as Watervliet went 8-0-1. Kolenko picked up 1,403 yards rushing in 192 attempts, despite his diminutive 5-foot-8, 160-pound frame.

CLASS C First Team
Pos. Name, School, Hgt., Wgt., Class
E — Gary Johnson, Ferndale St. James 6-1, 185, Sr.
E — Larry Zabel, Hemlock 6-1, 215, Sr.

ENDS — Bruce Coffelt, Columbia Central; Brian Ciesielsky, Bessemer; John Couture, Saginaw St.; Stephen; Ron Rusk, Armada; Dan Gulick, Williamston; Dave Bierle, Pontiac Catholic; Larry Catteill, Onsted; Gary Johnson, Ferndale St. James.
TACKLES — Greg Main, Farmington; O. Lady, Gary Assarian, Detroit Country Day; Larry Klein, Pontiac Catholic.
GUARDS — Chuck Dmochowski, Williamston; Dave Vielmetti, Norway.
CENTER — Mike Warren, Battle Creek St. Philip; Todd Driscoll, Hudson; Fred Dobbs, Ferndale St. James; Don Laskey, Saline.

Late Piston Explosion Nets Win Over Royals

DETROIT (AP) — The Detroit Pistons exploded for 40 points in the final period Tuesday night to whip the Cincinnati Royals 121-107 in a National Basketball Association game.

After a 50-50 first half, the Pistons boomed ahead. Terry Dischinger and Happy Hairston each collected 10 points to give Detroit and 81-74 cushion going into the final 12 minutes.

Then Hairston hit for 12 points in the closing period to finish with 30 while Eddie Miles added 11 and Dave DeBusschere 10 in the stretch.

Dave Bing, the league's leading scorer going into the game with a 29.8 average, was held to 16 points and he missed 17 shots in a row from the field before hitting in the final minute.

In other NBA action Tuesday the Los Angeles Lakers, first in the Western Division of the NBA, won their ninth straight by rallying for a 116-106 victory over the Boston Celtics, who dropped to second behind idle Boston in the East.

Philadelphia trounced Phoenix 126-110 and San Diego outlasted New York 113-107. Milwaukee whipped Atlanta 119-98 and San Francisco took Chicago 121-109.

In the American Basketball Association, Dallas edged Indiana 110-107, New Orleans beat Kentucky 114-108 and Denver nipped Minnesota 126-121.

Hal Green's shooting and playmaking in the fourth quarter enabled Philadelphia to break open a close game with Phoenix. The veteran guard scored 12 points and set up several other baskets in the final period.

San Diego led most of the way until New York outscored the Rockets 19-3 to move ahead 89-87 early in the fourth quarter. Put the Rockets came back to break a 103-103 tie with six straight points to win.

Elvin Hayes scored 39 and Don Kojis 33 for San Diego. Dick Barnett got 22 and Willis Reed 20 for New York.

The new Milwaukee club notched its fourth victory in 14 starts as Guy Rodgers scored 26 points and handed out 10 assists. Walt Hazzard topped Atlanta with 25 points.

Nate Thurmond was the big San Francisco gun against Chicago as he put in 41 points and grabbed 32 rebounds. Clem Haskins paced Chicago with 29 points.

Redskins Face Rebuilding Year

HERMANSVILLE — Fifteen candidates, including four lettermen, are drilling daily at Hermansville High School under new coach Dwight Castelaz in preparation for the 1968-69 season opener at Bark River on Friday.

Larry Raiche is the only starter returning from last year's squad which posted a 20-3 record. This year's team will be built around Raiche and returning seniors Rick Arduin, Tom Menard and sophomore John Dani.

Other candidates for the team include Marc Maga, Dennis Gustafson, Calvin Baird, Steve Framarin, Keith LaRoche, Tim Faccio, George Maule, Eugene Bellmore, Mike Maule, Gregg St. Juliana and Jeff Stout.

Four starters from last year's team were lost through graduation including leading scorers Randy Fochesato and Jon Whitens along with Mike Raiche and Dennis Grenier. Fochesato picked up 578 points and pulled in 192 rebounds last season while Whitens scored 431 points and grabbed 121 rebounds.

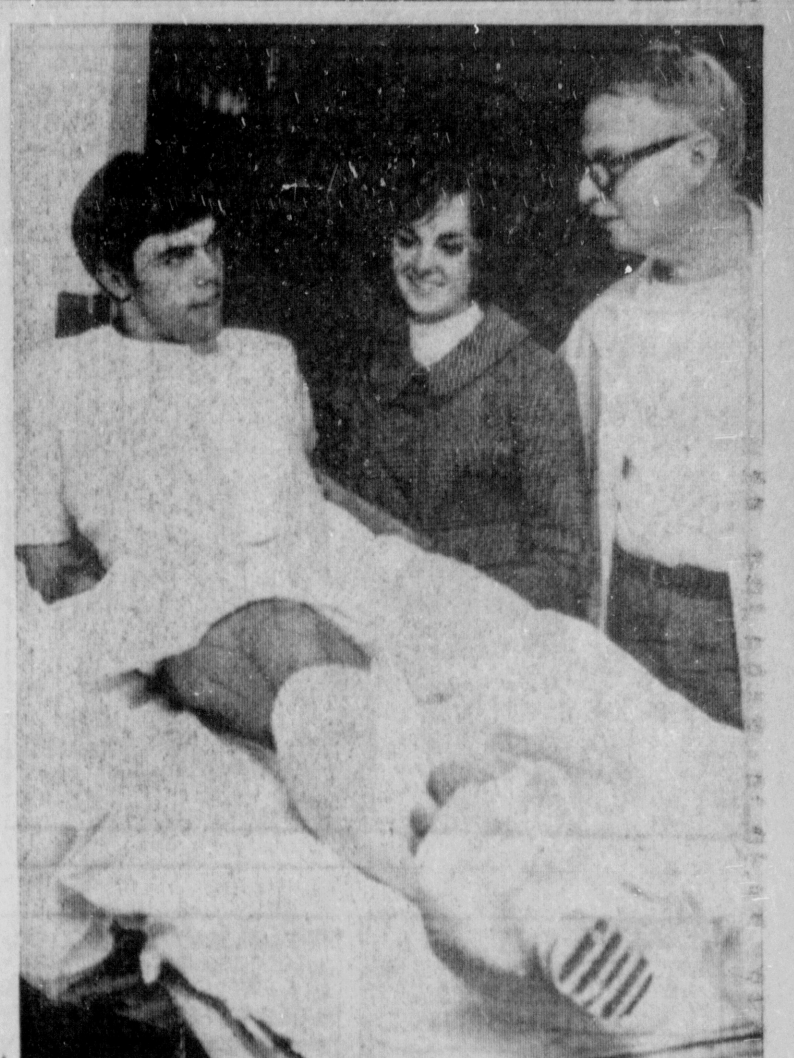

"Because of graduation losses, this is a rebuilding year since we lack a proven scorer and also experience," says coach Castelaz. "Channing, Carney and National Mine should be the teams to watch in the Sky-line Conference."

The Hermansville schedule: Nov. 22 — at Bark River Nov. 27 — Carney Dec. 3 — Powers Dec. 6 — at Pembine Dec. 13 — at Republic Dec. 17 — Channing Dec. 20 — at Felch Jan. 7 — at Champion Jan. 10 — National Mine Jan. 14 — at Carney Jan. 17 — Pembine Jan. 24 — at Powers Jan. 28 — Bark River Feb. 7 — Republic Feb. 14 — Champion Feb. 21 — at Channing Feb. 23 — Felch Feb. 28 — at National Mine

HIBERNATING BEAR — Chicago Bears quarterback Virgil Carter rests in a bed at a Chicago hospital with his right leg enclosed in a cast after he fractured an ankle in a game with the Atlanta Falcons Sunday. Carter's wife Judy and team physician Dr. Theodore Fox are with him. Carter joins Gale Sayers, who has a badly injured knee, on the sidelines for the rest of the season. (AP Wirephoto)

Bahnsen Named AL Top Rookie

NEW YORK (AP) — Stan Bahnsen always wanted to travel. When he was a kid in Council Bluffs, Iowa, he used to dream about being a big league ball player.

The dream came true for Bahnsen last season when he turned in a 17-12 season that was a major factor in the New York Yankees' rise to fifth place. As a result, he has been named the American League's Rookie of the Year by a landslide 17-3 vote.

The only other votes from the 20-man committee of the Baseball Writers' Association of America, two from each league city, went to Del Unser, Washington's center fielder, son of Al Unser, former big league catcher with Detroit and Cincinnati and currently a scout with Atlanta.

Ralph Houk, Yankee manager, said he had half expected Bahnsen to make the grade in 1967 and had planned on him being a starter that year.

"I stuck with him until we played an exhibition game at Houston and he couldn't get the

ball over," said Houk who farmed out the pitcher to Syracuse of the International League.

Houk was happy to hear the news that he will have two young shortstops available from service next year—Jerry Kenney, due to get out of the Navy in December, and Bobby Murcer, to be discharged from the Army in a few weeks.

Houk and the Yankees again denied that Mickey Mantle had decided to retire. They said the latest from the Mick was that he would go to spring training camp at Fort Lauderdale, Fla., and try to play. Mike Burke, Yankees' president, said they already had reached an agreement with Mantle on financial terms for the days when he has retired.

MANISTIQUE Lengthening School Day Draws Opposition

"So overwhelmingly against the proposed six-hour classroom and related study proposal were the comments of those testifying that I don't feel this will become an actuality without further study."

Speaking was Walter McClintock, Delta - Schoolcraft Intermediate District Superintendent, who attended a Public Hearing conducted by the State Department of Education

in Lansing on Friday. McClintock protested the proposed six-hour day and also a proposal that kindergarten pupils observe a three-hour school day. Six other Upper Peninsula superintendents were also in attendance at the meeting, McClintock said.

As it now stands, the length of the school day is set by the local Boards of Education and not defined by the State Department of Education. Should such a proposal become a requirement, districts could incur a penalty in state aid payments unless they conformed.

dence which favors a longer school day viewed in light of the quality of instruction.

"Transportation would be greatly affected by lengthening the present school day. It is very possible that students would be boarding buses before daylight and alighting after dark."

"The proposal would mean an outlay of funds for new buses and would certainly make a difference in bus schedules for elementary and high school students."

Affect In-Service

"In-service programs for teachers would be affected and could not be held during the school day. Parent-teacher conferences would also have to be scheduled for the evening hours."

"The proposal would further usurp the control of the local school districts."

"Is it a good situation when a six-year-old child and a 17-year-old high schooler are required to attend school for the same hours per day?"

Require 360 Half-Days

One suggestion to come out of the hearing that appealed to the persons in attendance, mostly school superintendents and school board members, was that the present 180 minimum school day requirement be changed to a requirement for 360 half-days, McClintock said.

Other Upper Peninsula superintendents who attended the hearing included Superintendent Frank Mead, Marquette - Alger Intermediate; Gordon Barkell, Hancock; Richard Speicher, Eastern U. P. Intermediate, Rudyard; Dr. William Books, Menominee; Charles Whitmar, assistant superintendent, Rudyard; and Leo Brunelle, Escanaba Township.

The Manistique Area School Board offered a resolution opposing the changes during their regular meeting on Nov. 12.

Sue Ann Olsen Is Engaged To Wed Donald Geiger

Miss Sue Ann Olsen's engagement to Donald Geiger is being announced by her parents, Mr. and Mrs. Lowell Olsen, Indian Lake. The prospective bridegroom is the son of Mr. and Mrs. Frederick Geiger, Waukegan, Ill.

Miss Olsen is a 1964 graduate of Manistique High School, received her R. N. in 1967 from Cook County Hospital School of Nursing, Chicago and is presently attending DePaul University, Chicago, for her B. S. in nursing.

Mr. Geiger is a graduate of Western Illinois University and is attending the Northwestern University Law School. No definite date has been set for the wedding.

Cadette Troop Is Rededicated

Fourteen girls were rededicated to the Girl Scout Promise and Laws on Monday evening during a candlelight ceremony in the First Methodist Church. New leaders of the Girl Scout Cadette Troop were invested at the same time.

Cadette Scouts rededicated were Karen Johnson, Kim Jackson, Lorie Neddow, Noreen Weber, Barbara Hentschell, Janet Peterson, Kathy Selling, Ruth Malette, Wendy Wallace, Claire Messier, Marcia Jetty, Lynne Cayia, Debbie Norden and Debbie Mulhaupt. Special guests at the rededication ceremony were the parents of the girls.

Patrol leaders Barbara Hentschell, Debbie Mulhaupt and Kathy Selling were invested and gave their oath of office. A two-looped golden shoulder cord, their badge of office, was pinned by assistant patrol leaders Debbie Norden, Lynne Cayia and Janet Peterson.

Captain of the Color Guard Lorie Neddow ordered the posting and unposting of the American flag and the Girl Scout flag. She also led the Pledge of Allegiance and the singing of "God Bless America". The color guard included Claire Messier, Wendy Wallace, Kathy Selling, Janet Peterson, Kim Jackson and Karen Johnson.

Mrs. Jerome Peterson and Mrs. Francis Selling were welcomed as girl scout leaders by Mrs. Francis Malette, council president. Kathy Selling and Janet Peterson presented their mothers with Girl Scout pins. Mrs. Malette pointed out that although neither new leader had ever been a registered girl scout each had contributed to scouting since their daughters were both active in local programs.

Mrs. Selling presented cookies with the "Welcome to the Troop" given by Mrs. Peterson.

Refreshments were served following the ceremony with members of the Manistique Girl Scout Council present.

Girls not present for the rededication ceremony and other girls in grades 7 through 9 interested in becoming Cadettes will be welcomed into the troop in ceremonies at a later date, Mrs. Malette said. Cadettes meet every other Monday at 7 p. m. at the First Methodist Church. Patrol meetings in scouts' homes are held on alternate weeks.

Social

Study Club

Mrs. Carl Makel reviewed the book "On Reflection" by Helen Hayes when the Study Club met Monday night at the home of Mrs. A. J. Cayia, Jr. with Mrs. George Wood as assisting hostess.

Mrs. David Ritter of Seattle, Wash. was a guest.

Mrs. Earl H. LeBrasseur will present the next book review on Jan. 20 at the home of Mrs. Charles Atwater with Mrs. Lee Pappas assisting hostess.

CLASSIFIED ADS COST LITTLE BUT DO A BIG JOB

Weather Factor In 2 Accidents

Two accidents were investigated by Michigan State Police on Monday. Bad weather conditions were a factor in both mishaps, troopers said.

Charles Albert Vecellis of Detroit was ticketed for following too closely after his vehicle skidded in the snow and struck the left side of an auto driven by Joseph E. Rood of Cheboygan. The accident occurred at 7:15 Monday morning on U. S. 2 one mile west of the M-77 junction. Rood was attempting a left turn off the highway when his auto was struck. Vecellis had five passengers in his car and Rood one passenger but no injuries were reported.

At 3:50 p. m. Monday John Rivard of Mt. Morris hit a patch of snow causing a trailer he was pulling to roll over. Rivard was pulling the trailer with a pickup truck on U. S. 2, three and one-half miles west of Gulliver, when the accident happened. Troopers reported some damage to the trailer plus transmission damage to the truck. Rivard was cited for defective steering equipment.

Clarence Sawyer of Garden reported the theft of his 1966 pickup truck on Monday night. Sawyer said he parked the truck in the front of Jack's Bar in Garden. Troopers investigated and found the truck in the back of the bar.

Two For It

Of the 40 persons testifying at the hearing, chaired by Ferris Crawford, associate superintendent of the Department of Education, only two superintendents were in favor of the six-hour requirement. These two, both from the Grand Rapids area, did not endorse the three-hour kindergarten requirement. McClintock said that about 200 persons attended the hearing.

Some of the points raised by those testifying against the proposed changes:

"There is no research in evidence which favors a longer school day viewed in light of the quality of instruction."

Homework Help At Study Center

A Study Center for fifth and sixth grade students who need help with their homework will be open from 6:30 to 8:30 tonight, according to an announcement by Miss Evelyn Berwin, elementary supervisor in the Manistique Area Schools. The Study Center will be in operation every Wednesday at the Lincoln School with Mrs. Gladys Mercier in charge. Any child who is in need of homework help is eligible to attend. The Study Center is financed through Elementary-Secondary Education Act Title I funds.

Briefly Told

Central, Fairview, Doyle and Hiawatha Schools hot lunch menu for Thursday will include spaghetti and meat sauce, buttered wax beans, dutch apple squares and beverage.

State Police report that a hunter from Springfield, Ohio spent the night in the woods south of Gulliver on Monday. Kenneth Battey, 25, was reported missing by hunting companions at 7 o'clock Monday. He walked out of the woods, apparently unharmed, at 8 a. m. Tuesday. Battey told troopers he became confused as to direction, fell in a swamp, and spent the night huddled under a balsam tree.

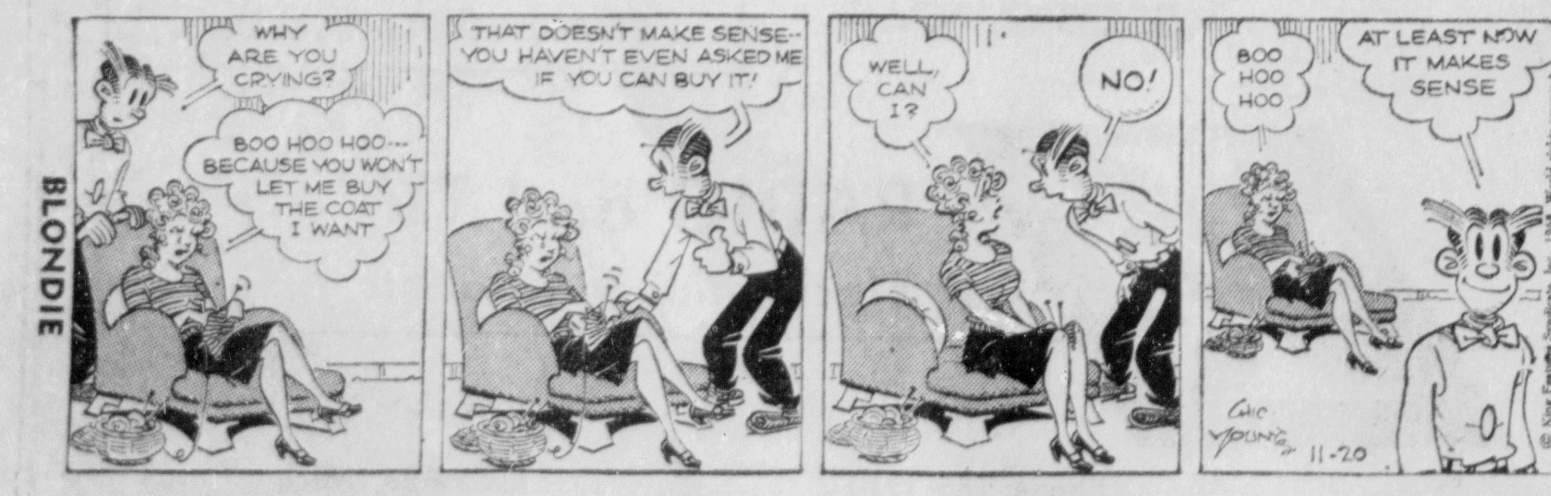

More people get more news from newspapers than all other sources combined.

Association To Hear Fr. Callari

Father Joseph Callari of Garden will be the guest speaker when the Schoolcraft County Retarded Children's Association gathers for a dinner-meeting next Monday, Nov. 25 at the Fireside Inn. The dinner is scheduled for 8 p. m.

Those attending are asked to bring a wrapped Christmas gift which will be relayed to children at the Newberry State Hospital.

Reservations deadline is Friday and may be had by contacting Louis Vincent, president of the Association, at 341-2577.

LEGAL NOTICES

RESCINDED NORTHERN PIKE AND MUSKELLUNGE
The Conservation Commission, at its meeting September 5, 1968, under authority of Act 230, P. A. 1925, as amended, hereby rescinds the following order:
For a period of four years beginning January 1, 1969, it shall be unlawful to take or possess northern pike or muskellunge from March 1 to May 1, inclusive of each year from any of the inland waters of this state except in Michigan-Wisconsin interstate boundary waters where existing Commission orders are in effect, and designated trout waters where northern pike and muskellunge may be taken from the last Saturday in April through the second Sunday in September. Further, the daily catch and possession limit for muskellunge shall be two fish.
Approved September 5, 1968.
A-17964—Nov. 13-20-27, 1968

WARMWATER FISH REGULATIONS
The Conservation Commission, at its meeting on September 5, 1968, under authority of Act 230, P. A. 1925, as amended, orders that for a period of five years beginning January 1, 1969, it shall be unlawful to catch or attempt to take in any manner the following named species except during the open seasons prescribed and within the maximum daily limits designated:
State-wide open seasons on designated trout lake and trout streams shall be from May 30 through September 30 on large-mouth and smallmouth bass, and muskellunge (including tiger muskellunge); and the last Saturday in April through September 30 on white bass. State-wide open seasons on inland lakes and non-trout lakes and non-trout streams, Great Lakes and connecting waters shall be from May 30 through December 31 on largemouth and smallmouth bass; May 15 through all of February on walleye and sauger, northern pike, and muskellunge (including tiger muskellunge); and 10 for white bass. The above regulations apply except that walleye, muskellunge, and northern pike may be taken in that upper portion of Lake Huron known as Whitney Bay, Pike Bay, Island Harbor, Les Cheneaux Channels, Potagannissing Bay, and certain waters on the south side of Drummond Island from May 1 through March 31 of each year; that bass may not be taken on Lake St. Clair, St. Clair and Detroit rivers before the third Saturday in June of each year; and that muskellunge in Lake St. Clair, St. Clair and Detroit rivers may be taken only from the first Saturday in June through December 15 of each year.
Approved September 5, 1968.
A-17965—Nov. 13-20-27, 1968

LAKE TROUT SPEARING—STATE-WIDE
The Conservation Commission, at its meeting on September 5, 1968, under authority of Act 230, P. A. 1925, as amended, orders that for a period of five years beginning January 1, 1969, no person shall take lake trout by means of a spear or bow and arrow from any of the waters over which this state has jurisdiction.
Approved September 5, 1968.

Card of Thanks

Hagman
We wish to express our heartfelt thanks for all the kindness and sympathy shown us by our friends, neighbors and relatives at the time of the death of our dear husband, father and grandfather. We are especially grateful to the Sister's, Nurses and staff at St. Francis Hospital, Dr. Ryde, Rev. Robert Selberg and to the ladies of the church who served the lunch. And to all who sent floral and spiritual bouquets, cards and all who helped lighten our sorrow at this time.

The Family Of
Carl John Hagman

LEGAL NOTICES

INLAND TROUT AND SALMON REGULATIONS
The Conservation Commission, under authority of Act 230, P. A. 1925, as amended, and Act 185, P. A. 1925, orders that for a period of five years beginning January 1, 1969, no person shall catch or attempt to take any species of trout or salmon from any of the inland waters of this state except by hook and line during the open seasons prescribed, and within the minimum size limits and maximum possession limits indicated below.
State-wide open seasons on all streams and designated trout lakes shall be from the last Saturday in April through the last day in September on brook trout and all other trout and salmon. State-wide open seasons on inland lakes shall be any time for brook trout and all other trout and salmon. Size limits for brook trout shall be 7 inches; all other trout and salmon shall be 10 inches. The daily limit for brook trout and all other trout and salmon shall be five fish singly or in combination.
The above regulations apply except that five brook trout may be taken from streams in addition to the combination limit of five fish.
Approved September 5, 1968.

Seek Fugitives For Honeymoon Assault

CHICAGO (AP) — Police named Tuesday two fugitives from a federal prison as suspects in the robbery of a newly married couple and rape of the bride in a motel Sunday night.

Patrick D. Kane, 43, and Dale G. Wilson, 24, who escaped Thursday from a U.S. marshal in Warrenton, Mo., are being sought by the FBI. They overpowered their guards while being transferred from the Leavenworth, Kan., Penitentiary to a federal court in St. Louis.

Chicago police said they have asked the FBI in Washington for prison photographs of Kane and Wilson to see if the honeymoon couple from Michigan could identify the men as their assailants.

Kane and Wilson have also been named as suspects in terrorizing a family in Bridgeton, Mo., Friday. Authorities said Mr. and Mrs. Bernard K. Politte and their 13-year-old son Ronnie, were held at gunpoint by two men for seven hours. The men fled in the family's automobile, authorities said.

Bank Robbers
At the time of their escape, Kane was serving a 22-year prison sentence for bank robbery and Wilson was awaiting trial on charges of murder committed while he was serving time in a federal prison at Marion, Ill.

The newlyweds were terrorized for three hours Sunday night by two patrons of a Chicago motel, where the couple was honeymooning. The couple's car and wedding gifts were taken by the men when they fled, authorities said.

Police declined to identify the victims of the terrorists. Investigators said two gun-

men impersonating security guards entered the couple's room five minutes after they checked in.

Head Covered
The 23-year-old bridegroom was bound to a chair, his head covered with a bedsheet and his wife, 21, was raped, police said.

After about three hours the men fled with the honeymooner's car, \$4000 in money gifts, their luggage and other gifts in the car.

The couple had been married in a Detroit suburb Saturday night.

Kane and Wilson are being hunted on the basis of descriptions provided by the victims.

They last were seen when they checked out of the motel where they gave their names as James and Ben Johnson of Springfield, Ill., and Springfield, Mo.

Garden Peninsula

Sacred Heart Circle is meeting at the St. Peters Parish Hall, Sunday evening for games and lunch.

Visiting at the Hartley LaButte home for hunting are Mr. and Mrs. Larry Stelmach and son Shane and Stanley Stelmach, all of Clarkston.

Mr. and Mrs. Otis Smith and family have moved back in their home in Fairport after living in Flint this summer.

Donald Green of Detroit is visiting and hunting with relatives in Fayette.

Mr. and Mrs. Jack Mitchell and family of Flint are visiting at Butch Barbeau home in Fairport.

Mr. and Mrs. Joel Peterson of Flint are visiting and hunting from the Hector Peterson home in Fairport and at the home of Mr. and Mrs. George Boudreau in Garden.

Mr. and Mrs. William Seaman of Flint are hunting here and visiting at the home of Mr. and Mrs. Leonard Spaulding.

Mr. and Mrs. Alfred Swanson of Flint are visiting at their home in Sac Bay and are also doing some hunting.

Rock

Sewing Lesson

**The Fair Store and Santa Claus
Celebrate 80 Year Association**

Not very often do partnerships last this long. But here they are . . . 80 years later the Fair Store and Santa Claus are working more closely than ever to provide the giftiest Christmas ever to Upper Michigan residents. A likely reason for the continued success is that both the Fair Store and Santa Claus have the knack of knowing what everyone wants for Christmas, and they work all year to see that when Christmas time arrives it's all available at Santa's regional warehouse, The Fair Store. From all reports it looks like that famous team has done it again. The Fair Store's Four floors are bulging with the largest and finest collection of wanted Christmas Gifts ever offered in their 80 years, with such an amazing selection and the traditional importance of a gift from The Fair Store; we cannot expect the friendly association of The Fair Store and Santa Claus to endure for another 80 years.
